WALK-IN-TEST/INTERVIEWS

The University of Engineering and Technology, Mardan, is seeking suitable candidate for appointment against the following position on purely temporary fixed pay basis for a period of six (06) months, extendable up to one year on satisfactory performance in the University of Engineering and Technology, Mardan:

S. No.	Title of Post	No. of posts	Qualification & Experience	Test/Interview Schedule
01	Advisor ORIC (Fixed Pay)	01	Qualification The ideal candidate must hold a postgraduate degree in Governance, Public Policy, Business Administration, Strategic IT Management, Development Studies, or Engineering from a reputable national or international university. Additional certifications or training in institutional development, monitoring and evaluation, research management, or ICT-based governance systems will be considered a strong advantage. Candidates with international academic exposure or specialized training in digital transformation, project management, or innovation-driven development will be preferred, as the role demands both technical insight and strategic policy understanding. Experience The position requires a minimum of 15–20 years of progressively responsible experience in institutional reforms, governance, public sector transformation, and development project management. The candidate must demonstrate a proven track record of working with government departments, donor-funded programs, and multidisciplinary teams on complex assignments involving policy design, process re-engineering, research management, and stakeholder engagement. Experience in leading large-scale development initiatives, designing ICT-driven solutions (such as e-governance, e-learning, or digital justice), and developing M&E frameworks is essential. Strong exposure to high-level advisory roles, strategic planning, and collaboration with international development partners will be highly desirable.	Date: 11-12-2025 Time: 11:00 AM
