IMPORTANT CONTACTS

MR. MUSHTAQ GHANI
Acting Governor
Khyber Pakhtunkhwa

Message of the CHANCELLOR

The establishment of a public Sector University of Engineering and Technology at Mardan was a dream which came true owing to its rapid growth and academic excellence within a very short span of time. Despite all administrative and financial challenges, the UET Mardan is keeping pace with the rapidly changing demands of academic pursuits and professional growth by virtue of its energetic and well equipped team. This has sufficiently added to the sense of competition amongst other universities/campuses in the vicinity and far-off and put them on toes to prosper and develop further. Amongst other of its features the location of the University is of paramount importance as it is easily accessible to the population in all four sides of District Mardan as well as the adjoining districts. Being the custodian of credible learning facilities, the University is imparting quality education and creating good knowledge and teaching skills in the crucially important engineering and technology disciplines. It gives aplomb to say that the UET Mardan will touch more on horizons at the national and international levels as per its charter. That is why all those who qualify to secure seat at the campus deserves special felicitations. As Chancellor, I congratulate the existing students for being part of this prestigious university and welcome the new entrants with a message to become the pride and asset of UET Mardan.

Message of the VICE CHANCELLOR

Welcome to the University of Engineering and Technology Mardan. I am delighted that you plan to consider this University for pursuing your undergraduate education. At UET Mardan we are proud of our spirited community of inquisitive, and ambitious thinkers. When you enroll, you become a part of the energy that drives us forward.

This year, UET Mardan is ranked by Times Higher Education Ranking to be among the best universities in Pakistan imparting quality engineering education. Indeed, we are the youngest university on the list. Our mission is to pursue an unparalleled student experience, product development, and research with widespread community impact. We keep ourselves aware of the ever-evolving societal and technological needs and have continuously been adapting by embedding them into our curriculum. As a result, new programs have been added and older ones are refined in consultation with the industry to give our students an edge in the job market.

Our five years strategic plan is a framework for growth and a roadmap to success as a university. It is committed to creating a campus where students see their career prospects grow through future-focused program delivery, a deep and productive partnership with the industry in the relentless pursuit of new ideas and solutions. Consequently, the university is rapidly diversifying mushrooming new departments. The existing infrastructure is revamped to bring it at par with the best institutes in the country with new projects in the pipeline to make it one of the best centers of knowledge creation and learning in the country.

UET Mardan attracts the best minds in the Khyber Pakhtunkhwa province. These are empowered to realize their academic ambitions and seek out knowledge with purpose. They encounter a wealth of opportunities for hands-on learning that positions them for professional success. Our students are required to solve complex engineering problems, in open-ended laboratories, and have to successfully deal with all the parameters required by the outcome-based education as mandated by the Washington Accord. The quality of our students is therefore second to none and is appreciated and recognized throughout the world.

I hope that through this prospectus we can arouse your interest in programs that are offered by our seven departments. I would also like to invite you to visit our campus to have a first-hand experience of what we are and have to offer.

Prof. Dr. Shahid Khattak,
Vice Chancellor,
UET Mardan

About MARDAN

Mardan is the second largest city of Khyber Pakhtunkhwa. It has different population segments and tribes from all over Pakistan, and is the de-facto headquarter of the most hospitable and soft-spoken tribe of Pakhtun: Yousafzai. The city is located at the gateway of Northern Areas of Pakistan and has a great geographical significance. Mardan also happens to be the stopping and refreshment spot for all the tourists around the country as it connects places like Swat, Dir, Chitral, and Gilgit. Furthermore, with its central geographic location, the M1 motorway connects it to Peshawar (65 km approx.) and Islamabad (144 km approx.).

Mardan is located in a region rich in archaeological sites and has a long rich history that can be back dated to thousands of years. The oldest of artefacts like the Sanghao Caves, Ashoka remains, excavation sites like Jamal Garhi and Shabaz Ghari are around in Mardan which are a testament to the rich culture and historical importance of this region. Furthermore, the UNESCO World Heritage Site of Takht-i-Bahi is also in its close proximity. Besides, The Mardan Museum: A repository and showcase of the artefacts is just at a walking distance from the University of Engineering and Technology, Mardan.

Additionally, Mardan is a perfect blend of traditional and urban life style with a population of around 2.5 million, it is expanding fast and so are the businesses and markets. On one hand, the people of Mardan get to enjoy the traditional markets like: Gaju Khan Market, Ghareeb Market and Bank-Road, on the other hand, it also offers mega-malls and mega-marts for the shopping spree of its people. It has a variety of continental and traditional food and can satiate all types of palates with its traditional restaurants, modern cafes and road-side vendors that serve mouth-watering food.

Recently, the main Nowshehra-Mardan road has been transformed into a business hub with large shopping malls, food courts and plazas and is yet in the process of development and growth. It also offers health facilities, sports facilities and world-class education facilities. Mardan city is home to Oil mills, Sugar mills, Textile, Tobacco and Marble industry which makes it an industrial zone also.

Mardan City is home to one of the largest regiments of Pakistan Army, and the Punjab Regimental Centre lies at the heart of the city. The city is also a neighbour to Risalpur, the home of Pakistan Air Force, and forms a close proximity with the China and Pakistan Economic Corridor (CPEC) city: Rashakai, which can in future, provide industrial opportunities and economic growth.

A fast-emerging and thriving public sector engineering university of Khyber Pakhtunkhwa, UET Mardan aims to provide quality engineering education to the people of Khyber Pakhtunkhwa. With a continuous influx of knowledge and ideas, it is an inspiring place to work and study. The university provides on-campus accommodation for students, staff and faculty with two boy's hostels and one girls' hostel, one

staff hostel and many residential houses dedicated official caretakers as well as management staff. For sports and entertainment, the university provides a football ground, a cricket ground, a basketball court, badminton courts besides indoor sports and hostel TV lounges that are necessary for the mental as well as physical health of our students. The university not only has easy access to the health and emergency response facilities of Mardan but also provides 24/7 on duty medical staff and a dedicated ambulance.

Vision Statement:

The UET Mardan aims to evolve as a distinguished seat of higher education and research and to contribute to local and global socioeconomic and technological development.

Mission Objectives:

- To impart quality engineering knowledge to the masses, specially to the local population.
- To provide industry, academia and research organizations with top class graduates who are technically sound with great leadership and management skills, who can contribute to societal and economic growth.
- To keep abreast of the latest trends by liaising with regulatory bodies as well as with the customers, and to improve academic processes accordingly.

The features that set apart UET Mardan are:

Outcome Based Education System: Outcome Based Education is offered fully in-line with the Washington Accord.

Quality Enhancement Cell: Quality Enhancement Cell undertakes measures for ensuring academic quality assessment & enhancement and to assist in implementing Internal Quality Assurance (IQA).

Office of Research, Innovation & Commercialisation: Office of Research, Innovation and Commercialisation serves as a pivotal point, encompassing all the research activities-from development of research proposals to commercialisation of research products.

UET Mardan facilitates the students with its best by providing:

Career Counselling: Availing the services of designated counsellors, the students of UET, Mardan receive ample advice on academic and professional plans to help them shape their goals and objectives, make informed career choices, identify prospect employers as well as understand and get ready for future market trends.

Digital Access: Free access to the Internet is available all over the university campus for students and staff.

Libraries: The library of UET Mardan has enough stock and variety of books to cater for the needs of all offered academic programs. Access to HEC's Digital Library is also available.

Laboratories: The university has established state-of-the-art laboratories containing latest equipment where students conduct experimental and research work. Lists of labs are given in department specific sections of the prospectus.

Scholarships and Financial Aid: Many scholarships and financial support opportunities are available for deserving students. For further details, please refer to section on "Fee Concession and Other Financial Assistance".

Disciplines: UET Mardan offers bachelors' degree programs in Telecommunication Engineering, Electrical Engineering, Computer Software Engineering, Civil Engineering, Mechanical Engineering, Computer Science and English.

Department of

Computer Software Engineering

Department of

Computer Software Engineering

1. INTRODUCTION

Software Engineering is the discipline which deals with developing and maintaining software applications by applying technologies and practices from engineering, computer science, project management and other applicable fields. This branch of engineering is the thorough understanding of the entire process from Planning to Design, Development, Testing and Deployment.

3. PROGRAM MISSION

The mission of BSc. Computer Software Engineering program is to equip students with the concepts, techniques, skills and tools for the design & development of medium and large-scale software systems. To prepare graduates for professional careers in software industry, academia and research organizations by imparting them life-long learning capabilities.

4. ACADEMIC PROGRAMS

The Department offers the following Programs:

- BSc. Computer Software Engineering
- MSc. Computer Software Engineering
- PhD. Computer Software Engineering

Department of Computer Software Engineering is offering BSc. degree since 2002, while its MSc. and PhD. programs started in the years 2019 and 2020 respectively. Software Engineering encompasses a wide range of topics including software requirements,

specification, analysis, design, implementation, verification, deployment, reuse, project management and evolution of software products. An orthogonal perspective of the discipline includes engineering Software Systems for performance, reliability, security, scalability, maintainability, etc. It also encompasses the economic and organizational aspects.

5. PROGRAM EDUCATIONAL OBJECTIVES

The graduates of BSc. Computer Software Engineering Program will be able to:

PEO 1: Demonstrate the ability to apply engineering knowledge, skills, and tools for the betterment of society.

PEO 2: Secure careers in software development, research, entrepreneurship or consultancy, and demonstrate leadership capabilities.

PEO 3: Exhibit motivation for continuous learning and skills development in order to survive in a competitive environment.

PEO 4: Exhibit aptitude for teamwork, possess effective communication skills and abide by the professional practices.

6. CAREER OPPORTUNITIES

Graduates of this program can expect career opportunities in software design and development in a variety of application areas. Software engineering graduates are particularly well-suited to work as leaders or members of software project teams. They will have the knowledge and skills to help them plan and develop quality software within schedule and cost constraints. According to the United States' Bureau of Labor and Statistics (BLS), Software Engineers are amongst the highly paid professionals. The BLS also projected software development is one of the fastest growing occupations for 2018 to 2028. The BSc. Computer Software Engineering program produces entrepreneurs who help the Government in creating job opportunities and developers who build products/solutions from small to large scale

systems. Software Engineers play a vital role in digital transformation and setting up the knowledge-based economy of a region.

7. RESEARCH

The Department of Computer Software Engineering is actively pursuing research in the following areas:

- Machine Learning
- Cloud Computing
- Software Requirements Engineering
- Software Design & Architecture
- Agile Software Development
- Global Software Development
- Software Outsourcing
- Data Science
- Internet of Things
- Computer Networks
- Semantic Web
- Human Computer Interaction

8. LABORATORIES

The Department of Computer Software Engineering has the following state-of-the-art laboratories. These laboratories are equipped with every instrument and software required in the Software Engineering courses. For smooth functioning, all laboratories are backed up with a powerful generator.

- Programming Lab
- Data Science Lab
- System and Design Lab
- Final Year Project Lab
- Embedded Systems Lab

Department of Electrical Engineering

Department of

ELECTRICAL ENGINEERING

1. INTRODUCTION

Keeping in view the requirements of the technology concentrated zone in Khyber Pakhtunkhwa, the major applications of Electrical Power and Communication Engineering that is almost always required, have been initially started with the future focus on Green Energy, Information Security, Industrial Power Control, Solar Power, and Energy Efficient Systems. Well-equipped and state-of-the-art laboratories, with dedicated faculty and lab staff has strengthened this department and been able for upbringing better Engineers to innovate contemporary status of common man and society.

3. DEPARTMENT MISSION

The mission of the BSc. Electrical Engineering Program is:
To produce graduates with state-of-the-art education and relevant skills in Electrical Engineering to provide effective solution for the emerging challenges for the betterment of society.

4. ACADEMIC PROGRAMS

The Department of Electrical Engineering offers the following programs:
BSc. Electrical Engineering with specialization in the following streams:

- Power Engineering
 - Communications Engineering
- MSc. Electrical Engineering with specializations in:
- Power Systems and Control Engineering
 - Communication and Electronics Engineering

5. PROGRAM EDUCATIONAL OBJECTIVES (PEOS)

The graduates of B.Sc in Electrical Engineering Program will be able to:

PEO1 Demonstrate knowledge by innovation, critical analysis and finding solutions to contemporary problems in their field.

PEO2 Exhibit capability of making judgment, task planning, effective communication and target achievement.

PEO3 Exhibit that they can practice their profession independently or in a team within the accepted norms of ethics while being appreciative of social & environmental needs.

6. PROGRAM LEARNING OUTCOMES (PLOS)

The twelve program learning outcomes (PLOS) of BSc. Electrical Engineering program are:

PLO 1 Engineering Knowledge: Efficiently analyze & solve complex engineering problems. An ability to apply knowledge of mathematics, science, engineering fundamentals and an engineering specialization to the solution of complex engineering problems.

PLO 2 Problem Analysis: An ability to identify, formulate, research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences.

PLO 3 Design/Development of Solutions: An ability to design solutions for complex engineering problems and design systems, components or processes that meet specified needs with appropriate consideration for public health and safety, cultural, societal, and environmental considerations.

PLO 4 Investigation: An ability to investigate complex engineering problems in a methodical way including literature survey, design and conduct of experiments, analysis and interpretation of experimental data, and synthesis of information to

derive valid conclusions.

PLO 5 Modern Tool Usage: An ability to create, select and apply appropriate techniques, resources, and modern engineering and IT tools, including prediction and modeling, to complex engineering activities, with an understanding of the limitations.

PLO 6 The Engineer and Society: An ability to apply reasoning informed by contextual knowledge to assess societal, health, safety, legal and cultural issues, and the consequent responsibilities relevant to professional engineering practice and solution to complex engineering problems.

PLO 7 Environment and Sustainability: An ability to understand the impact of professional engineering solutions in societal and environmental contexts and demonstrate knowledge of and need for sustainable development.

PLO 8 Ethics: Apply ethical principles and commit to professional ethics and responsibilities and norms of engineering practice.

PLO 9 Individual and Teamwork: An ability to work effectively, as an individual or in a team, on multifaceted and /or multidisciplinary settings.

PLO 10 Communication: An ability to communicate effectively, orally as well as in writing, on complex engineering activities with the engineering community and with society at large, such as being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.

PLO 11 Project Management: An ability to demonstrate management skills and apply engineering principles to one's own work, as a member and/or leader in a team, to manage projects in a multidisciplinary environment.

PLO 12 Lifelong Learning: An ability to recognize importance of and pursue lifelong learning in the broader context of innovation and technological developments.

7. CAREER OPPORTUNITIES

This versatile degree program opens careers in different areas of Electrical Engineering, a top-rated profession. The degree program promises the graduates higher level employability at the entry level as compared to other engineering programs. The department prides itself on the fact that most of its graduates are employed within the first year of graduation. There are several pathways to choose from power sector to leading telecom industries including PTCL & NTDC, atomic energy, WAPDA, R&D public and private sector organizations, industrial process & control, power system automation & control, satellite and space technologies. Our engineers are equipped with the knowledge and skills to help them develop quality system solution within time and cost constraints. Our Alumni have also enjoyed several scholarship opportunities for higher studies in the reputed foreign universities and some of them are playing key role in industries.

8. RESEARCH

Research wings of the Electrical Engineering Department are well recognised and serve as the backbone of the rapidly growing electrical industry. Progress of humanity is fuelled by each new discovery and development. Full time dedicated PhD. faculty are actively pursuing research in the following areas:

- Artificial Intelligence
- Machine learning
- Internet of Things
- Cognitive Radios
- Mobile Computing
- Signal Processing
- Wireless Communication
- Smart Grids
- Energy Storage
- Rural Distribution Grids
- Renewable and Hybrid Energies
- Power Electronics

9. LABORATORIES

There are eight (08) dedicated state-of-the-art Laboratories that are extensively utilised for laboratory courses, open ended labs, and research. These labs cover power generation, transmission, utilisation, protection, generator control,

transformers, smart grid, renewable energies (fuel cell, solar, wind), signal processing, circuit analysis, wireless communication, digital & analog electronics, embedded systems and computing. For smooth functioning, Laboratories are backed up with 200kVA generator. List of the available laboratories are:

- Power Systems Lab
- Power Electronics Lab
- Electrical Machine-I Lab
- Electrical Machine-II Lab
- Electronics Lab
- Computer Lab
- Workshop Technology Lab
- Final Year Project (FYP) Lab
- Digital Electronics Lab (Shared)
- Control Systems Lab (Shared)
- Embedded Systems Lab (Shared)

Telecommunication Engineering

Department of

TELECOMMUNICATION ENGINEERING

1. INTRODUCTION

The field of Telecommunication Engineering is evolving rapidly with new technological standards introduced with the passage of time. Look back 20 years in the past, when a few of us had a mobile phone, our internet connection, in general, was not as powerful as required by the then text based websites and when none of us could be a part of any social networks. Most of us now spend more time in the world of virtual social networks. Our forms of expressions are just a click away through online blogging, Internet of Things (IoT) and YouTube. We are emerging into an age where we are connected 'Anytime, anywhere' through mobile networks by using a high-speed wireless which can be realized by proper planning and realization of the fifth generation (5G) and beyond wireless and mobile communication technologies.

The objectives of Telecommunication Engineering Department are formulated to harness most of these challenges and strategies to incorporate all the required skills into the Telecommunication program.

3. DEPARTMENT MISSION

To produce a workforce of outstanding professionals having up-to-date knowledge, technical and interpersonal skills and problem-solving abilities to improve the economic well-being and up-lifting of the society

4. ACADEMIC PROGRAMS

The department offers the following programs.

- BSc. Telecommunication Engineering
- MSc. Telecommunication Engineering
- Ph.D. Telecommunication Engineering

5. PROGRAM EDUCATIONAL OBJECTIVES

PEO-1: Extend knowledge and develop expertise in Telecommunication Engineering and associated fields/tools

PEO-2: Apply systematic approach to design sustainable solutions for indigenous, complex problems related to their field, considering societal and environmental impact

PEO-3: Be effective team members, self-motivated, independent thinkers, proficient communicators and capable of leading teams for achieving goal-oriented tasks

PEO-4: Exhibit professional ethics and engineering practices as well as high moral values, and be a productive member of the society

6. CAREER OPPORTUNITIES

Graduates can expect career opportunities in a wide range of engineering sectors including mobile and telecom industry, telecom regulatory authorities, frequency allocation board, banking, gas exploration and distribution companies, R & D organization and higher education, Information & Communication Technologies (ICT) sectors, and energy sectors, etc. Telecom engineering graduates are particularly well-switched to work as members or leader of telecom and multi-disciplinary teams. These graduates have the knowledge and skills to propose solutions to complex engineering problems and to design and develop quality Radio Frequency (RF), Microwave and Electronics Systems and products. The graduates of Telecommunication Engineering are trained on the latest trends and skills related to emerging engineering and IT technologies, which helps them in self-employment via online job opportunities.

An active career liaison office exists in the

department which facilitates the graduates in career guidance and placements.

7. RESEARCH

The department is actively pursuing research in the following areas:

- Antenna Design: Systems and Architecture
- Electromagnetic Radio Wave Propagation
- Millimeter- and submillimeter-wave propagation
- Microwave Engineering
- Metamaterial and Metasurfaces
- 5G Multiple-Input Multiple-Output (MIMO) Antennas
- Cooperative and Cognitive Communications
- Mobile and Satellite Communication
- Digital Signal Processing
- Signal Information Processing
- Digital Image and Video Processing
- Radar Engineering
- Plasmonic/Tera Hertz/ Nano Antennas
- EMC and Interference Studies
- Network Security
- Mobile Adhoc Networks

8. LABORATORIES

The department has the following state-of-the-art laboratories

- Electronics Lab
- Wireless Communication Lab
- Digital Logic Design Lab
- Computer Lab
- DSP Lab
- FYP Lab
- Applied Physics & Circuits Lab
- Control Systems Lab
- Optical Fiber Communications Lab
- System & Design Lab (Shared)
- Electric Workshop Lab (Shared)
- Embedded System Lab (Shared)

Department of Computer Science

Department of

COMPUTER SCIENCE

1. INTRODUCTION

Centered around the construction, programming, use and operation of computers, the discipline of Computer Science is continually evolving. The recent advancements in computing and associated technologies have created exciting new opportunities. Availing these opportunities demands a workforce that possesses in-depth knowledge and advance skills in computing. As the transition towards the fourth industrial revolution -- popularly known as industry 4.0 -- accelerates, computers are playing an ever-increasing role in the way we live, work and entertain. In the knowledge economy of industry 4.0, the demand for such a workforce is enormous. The Department of Computer Science, UET Mardan intends to be at the forefront to meet this demand and produce graduates who are able to understand, investigate and solve problems posed by the knowledge economy by employing innovative algorithms, techniques, methodologies, cutting-edge computing tools and technologies. To this end, the department has engaged highly qualified faculty, established state-of-the-art laboratories, provisioned modern audio-visual teaching tools and put in place processes for effective teaching, learning and assessment.

program is to produce professionally sound graduates, by imparting them quality education and skills in the field of Computing, who can solve contemporary, multidisciplinary and emerging problems to serve the needs of academia, industry and community thereby playing a vital role in the socio-economic development.

4. PROGRAM EDUCATIONAL OBJECTIVES (PEOs)

The graduates of BS Computer Science program will be able to:

PEO-1: Apply computing knowledge, skills and tools to develop solutions for real-world problems.

PEO-2: Exhibit the ability to work in teams, communicate effectively and keep abreast of the latest trends in computing.

PEO-3: Conduct professional practices considering societal and ethical aspects.

5. PROGRAM LEARNING OUTCOMES (PLOs)

The Program Learning Outcomes (PLOs) of BS Computer Science are:

PLO 1 Academic Education: To prepare graduates as computing professionals.

PLO 2 Knowledge for Solving Computing Problems: Apply knowledge of computing fundamentals, knowledge of a computing specialization, and mathematics, science, and domain knowledge appropriate for the computing specialization to the abstraction and conceptualization of computing models from defined problems and requirements

PLO 3 Problem Analysis: Identify, formulate, research literature, and solve complex computing problems reaching substantiated conclusions using fundamental principles of mathematics, computing sciences, and relevant domain disciplines

PLO 4 Design/ Development of Solutions: Design and evaluate solutions for complex computing

problems, and design and evaluate systems, components, or processes that meet specified needs with appropriate consideration for public health and safety, cultural, societal, and environmental considerations

PLO 5 Modern Tool Usage: Create, select, adapt and apply appropriate techniques, resources, and modern computing tools to complex computing activities, with an understanding of the limitations

PLO 6 Individual and Team Work: Function effectively as an individual and as a member or leader in diverse teams and in multi-disciplinary settings

PLO 7 Communication: Communicate effectively with the computing community and with society at large about complex computing activities by being able to comprehend and write effective reports, design documentation, make effective presentations, and give and understand clear instructions

PLO 8 Computing Professionalism and Society: Understand and assess societal, health, safety, legal, and cultural issues within local and global contexts, and the consequential responsibilities relevant to professional computing practice

PLO 9 Ethics: Understand and commit to professional ethics, responsibilities, and norms of professional computing practice

PLO 10 Life-long Learning: Recognize the need, and have the ability, to engage in independent learning for continual development as a computing professional

6. ACADEMIC PROGRAMS

The department of Computer Science offers BS degrees in Computer Science and specializations/streams in Artificial Intelligence and Data Science

7. CAREER OPPORTUNITIES

The knowledge and skills gained by a Computer Science graduate are highly valued in the modern age. The rapidly increasing scope of Computer Science is creating for its graduates a wide range of opportunities in many different industries such as software houses, data warehouses, multinational companies, governmental agencies, universities, healthcare institutions etc. Computer Science graduates can work as IT consultants, applications programmers, sales and business developers, cybersecurity consultants, information security specialists, information systems managers, database administrators, multimedia programmers, systems analysts, games developers etc. The graduates of computer science can start their careers in various public and private national and multinational organizations, some notable names among which are NADRA, Pakistan Software Export Board, IT boards of all provinces, Technology parks, e-commerce companies (such as Amazon, OLX, Daraz, Alibaba, etc.) and tech companies (such as Meta (Facebook, WhatsApp), Google and Microsoft etc.). Computer Science graduates can work as IT consultants, applications programmers, sales and business developers, cybersecurity consultants, information security specialists, information systems managers, database administrators, multimedia programmers, systems analysts, games developers etc. The graduates of computer science can start their careers in various public and private national and multinational organizations, some notable names among which are NADRA, Pakistan Software Export Board, IT boards of all provinces, Technology parks, e-commerce companies (such as Amazon, OLX, Daraz, Alibaba, etc.) and tech companies (such as Meta (Facebook, WhatsApp), Google and Microsoft etc.).

8. RESEARCH

The department is actively pursuing research in the following areas:

- Human-Computer Interaction (HCI)
- Agile Software Development
- Semantic Web
- Web Preservation

- Artificial Intelligence and Machine Learning
- Software-Defined Networking (SDN)
- Communication Networks
- Internet of Things (IoT)
- Cloud Computing

9. LABORATORIES

The department has the following state-of-the-art laboratories

- Computing Lab
- Digital Electronics Lab
- Data Science Lab
- Data Structures and AI Lab
- Networks Lab

10. DEGREE REQUIREMENTS

For obtaining Bachelor of Science degree in Computer Science or Computer Science with specializations in Artificial Intelligence or Data Science, a student has to complete at least 130 credit hours with a CGPA of 2.0 or above.

Department of Mechanical Engineering

Department of

MECHANICAL ENGINEERING

1. INTRODUCTION

Mechanical Engineering is one of the most versatile, broadest, and oldest Engineering professions. The Mechanical Engineering is responsible for development of products, designs, processes, and energy projects from micro to macro complex systems. Mechanical engineers confront with diverse and challenging engineering problems which requires integration of science, engineering, and socio-economic knowledge. They are trained to solve real-world engineering problems arising in energy production, heating, ventilation, air conditioning, automobile, locomotive, manufacturing, power generation, control systems etc. They design complex machines, manufacturing processes and translate them into real products that addresses societal issues. However, with recent advances, mechanical systems are increasingly integrated with electronics, sensors, actuators, micro-controllers, and computers. Mechanical engineering education thus needs to gear up to keep up with the fast-changing technology development.

3. DEPARTMENT MISSION

The mission of the Mechanical Engineering Department is:

To develop Mechanical Engineering Department as world class engineering institution that impart quality education in field of Mechanical Engineering fundamentals, application and skills

through modern teaching and tools for socioeconomic development so as to produce graduates who are prepared to pursue professional excellence with moral responsibility.

4. ACADEMIC PROGRAMS

The department offers the following programs.

- B.Sc. Mechanical Engineering

5. PROGRAM EDUCATIONAL OBJECTIVES

PEO-1: Ability to exhibit knowledge and technical skills to develop and solve engineering problems.

PEO-2: Acquire good communication skills, leadership ability and with an ability to work as effective team member.

PEO-3: Exhibit a sense of responsibility to serve society / community and to possess ethical conduct.

PEO-4: To pursue continuous personal and professional improvements while working towards a successful career in the field of Mechanical Engineering

6. CAREER OPPORTUNITIES

Mechanical Engineering is one of the oldest engineering fields that offers great career opportunities to the graduates in a variety of sectors. These sectors include; Automobile, Railways, Aerospace, Textile, Amours, Defence, Power generation plants that mainly includes hydal, thermal, nuclear and renewable energy power plants. Graduates of Mechanical Engineering Department will have the opportunities to apply their knowledge and seek expertise in the aforementioned sectors both, locally and internationally. In Pakistan, our graduates have career opportunities in both public and private sectors. Some notable names in Pakistan where our graduates can seek career opportunities are; Atomic Energy Commission, WAPDA, Pakistan Railways, Pakistan Ordinance Factories (POF), C&W, OGDCL, Pakistan Armed Forces (Pak Army, Pak Navy, Pak Air-force), Heavy Industries Taxila, Heavy Mechanical Complex, ENGRO Pakistan, PEPSI, COCA COLA, HAIER, PEL, DAWLANCE Pakistan, Fauji Fertilizer Company (FFC), Indus Motors, Suzuki, Honda, steel mills, sugar mills, Cement Industries, Educational Institutions and R&D labs.

7. RESEARCH

The department is actively pursuing research in the following areas:

- Thermo-Fluids and Systems
- Dynamics and Control
- Robotics and Automation
- Engineering Materials
- Nanotechnology
- Renewable Energy Technologies
- Design and Manufacturing
- HVAC and Air Conditioning
- IC Engines and Combustion
- Aerodynamics
- Automotive Engineering

8. LABORATORIES

The department has the following state-of-the-art laboratories

- Thermodynamics Lab
- Mechanics of Materials Lab
- Engineering Mechanics Lab
- Engineering and Graphics Lab
- Computer Aided Design Lab
- Production and Automation Lab
- IC Engines and Power Plant Lab
- Heat and Mass Transfer Lab
- HVAC and Air Conditioning Lab
- Mechanism and Mechanical Vibrations Lab
- Hydraulics and Fluid Mechanics Lab
- Workshop Technology Lab

Department of

CIVIL ENGINEERING

1. INTRODUCTION

Rapid infrastructure development due to evolving economy in Pakistan has increased the need for Civil Engineers more than ever. Considering this, the department of Civil Engineering has launched competitive academic programmes with the aim to equip aspiring students with a range of skills that will help them professionally. The objectives of the curriculum include:

- Focus on sustainable planning and design solutions for civil engineering problems.
- Awareness of new techniques in construction practices.
- Development of critical thinking skills necessary for innovation.
- Building research and communication skills.
- Enhance students' understanding through project based learning.

3. ACADEMIC PROGRAMS

The Department of Civil Engineering offers the following program(s):

- B.Sc. Civil Engineering

4. PROGRAM MISSION

The mission of the B.Sc. Civil Engineering Program is:

To impart quality education in Civil Engineering fundamentals, application and skills through modern teaching and tools for socioeconomic development so as to produce graduates who are prepared to

5. PROGRAM EDUCATIONAL OBJECTIVES FOR DEPARTMENT OF CIVIL ENGINEERING

The graduates of Civil Engineering Program will be able to:

PEO 1: Demonstrate ability of sound knowledge and technical skills with a focus on global sustainability and socioeconomic development.

PEO 2: Illustrate effective teamwork capabilities, interpersonal and management skills with a quest for professional and technological growth.

PEO 3: Undertake professional practices considering moral, societal and environmental implications.

6. CAREER OPPORTUNITIES

The graduates of our Civil Engineering Program can start their careers in various design and contracting/ Consulting firms/departments/institutions in the public and private sectors. Some of these include the Communication & Works Department, Public Health Engineering Department, Local Government, Irrigation Engineering Department, National Highways Authority, NESPAK and various other private firms associated with design and field execution works.

Graduates can choose their careers from a dynamic range of possibilities such as design firms involved in designing innovative multi-story buildings, roads and other hydraulic structures, or field jobs involving site inspection and quality control.

Aspiring students can also pursue their careers as post graduate researchers to explore novel materials, methodologies and techniques in construction industry such as green construction materials, earthquake resistant infrastructures and intelligent transportation systems etc.

7. RESEARCH

The department of civil engineering faculty will be actively involved in the following research areas:

- Sustainable and innovative road and Building/Road materials
- Modelling static and dynamic axle loads and its impact on pavement using Finite Element software
- Road and Traffic safety
- Re-use of waste materials in Road and building infrastructure
- Groundwater hydrology and contamination, river hydraulics, multi-phase computational hydraulics, real-time control of multi-objective reservoir systems, watershed hydrology, storm water management, coastal flooding, water resources systems analysis, and hydro-informatics
- Seismic rehabilitation of buildings and bridges; and applications and modeling of components and systems constructed with composite materials.
- Smart irrigation management.

8. LABORATORIES

There are eight (08) dedicated state-of-the-art laboratories that are extensively utilised for laboratory courses, open ended labs and research. For smooth functioning, laboratories are backed up with 200kVA generator. List of the available laboratories are:

- Construction Materials & Testing Lab
- Engineering Surveying Lab
- Soil Mechanics & Highway Engineering Lab
- Public health Engineering Lab
- Structural Engineering Lab
- Hydraulics Lab
- Drawing Lab
- Computer/Simulation Lab
- Electro-Mechanical Engineering Lab (Shared)

University of Engineering & Technology Mardan

Department of
Natural Sciences
& Humanities

Department of

NATURAL SCIENCES AND HUMANITIES

1. INTRODUCTION

As evident from its name, the Department of Natural Sciences and Humanities (DNSH) has been established to manage all the general education courses of the professional degree programs of the University of Engineering and Technology Mardan. The NSH department has a proficient team of expertise to its credit who not only teaches their respective subjects but also actively involves in noncurricular and administrative activities. The department is fully committed to support all the degree awarding programs of the University in the accomplishment of their respective goals and also helps to propel the institution towards its vision and mission. The NSH faculty has been an integral part of the University of Engineering and Technology Mardan since its inception, and it not only remains to be an essential part of it till the date but also aims to serve its great purpose for the coming promising years. The Department is striving to further extend its support to the University by launching multiple undergrad/postgrad degree awarding programs of its own through its highly qualified and experienced faculty.

3. ACADEMIC PROGRAMS

The Department offers the following Programs:

- BS English (Literature & Linguistic)
- MS Mathematics

4. VISION

To adapt to the requirements of general education, instruction - communication, diversity, global perspective, interdisciplinary schooling- with those of the major.

5. INTRODUCTION (BS ENGLISH)

The newly inducted program of BS English at University of Engineering and Technology Mardan is structuralized in such a diverse manner to cater for the needs of the potential employment markets and is flexible enough for the student's interests. This program will offer students with sophisticated writing and critical thinking skills useful not only in the academy but also in the world at large. In the program, the literature is blended with the study of English language with the aim of improving the linguistic and pedagogical competence. The program will prepare students with diverse competence of English, so that students can chose it as a career in language teaching, literature teaching, media, language planning, freelancing, content writing, applied linguistics, diplomacy, or jobs where interpretive communication skills are required. The program will not only enhance the core communication skills such as reading, speaking, listening, and writing but also optimize a conducive environment for the development.

6. MISSION

The program of English will endeavour to be a leading figure in giving quality education in Language & Literary arts, with research in building modernistic boundaries in teaching methodologies and to empower the understudies and researchers for the position of authority on global level, with the help of language artistry.

7. AIM AND OBJECTIVES

The BS English Program aims at developing and enhancing English language learning in its broader context and producing competent language learners for the global world. It also aims to develop the understanding of forms of literary expressions (fiction, drama, prose, novel, and non-fiction) as well as linguistics and rhetorical skills.

The program of BS English will:

- Acquaint the students with courses from different fields to advance transdisciplinary thinking
- Offer an organized way to investigating and exploring issues in Literature & Linguistics.
- Create and nurture the culture of research-based education
- Assist the understudies with framing a sound reason for higher learning

ADMISSION RULES

9. GENERAL

Admission to BSc. Engineering, BS Computer Science and BS English shall be granted on the basis of merit. The allocation of seats in each discipline of UET Mardan is given below:

Details	Electrical Engineering	Telecommunication Engineering	Software Engineering	Computer Science	Civil Engineering	Mechanical Engineering	BS English	Total
Open Merit	67	65	35	114	32	32	47	392
Self-finance/Non-subsidized	26	6	9	30	14	14		99
FATA	2	2	2	2	2	2	2	14
AJ&K		1	1					2
Balochistan		1	1					2
Sons/Daughters of UET employees	1	1	1	1	1	1	1	7
# Overseas Pakistanis Children	1	1	1	1	1	1		6
# Religious Minorities	3	3		2				8
TOTAL	100	80	50	150	50	50	50	530

For BS Computer Science, FATA candidates are also eligible to apply for open and Self-Finance Scheme and BS English, FATA candidates are also eligible to apply for open Scheme.

Erstwhile FATA candidates can only apply for self-finance scheme in B.Sc engineering programs, however they are eligible to open and self-finance schemes of BS Computer Science and BS English programs. If they are applying against the FATA reserved quota seats in above programs, they may contact the directorate of admissions UET Mardan for application forms.

In case there are no applicants against these position, then seats will be filled with regular applicants on merit as self-finance seats.

Candidates are advised to carefully read the admission rules before filling the admission forms.

10. ELIGIBILITY FOR ADMISSION

Admission to BSc. Engineering and BS Non-engineering programs shall be open in the following categories:

10.1 OPEN MERIT

Candidates applying for admission on open merit seats must meet the following criteria:

(a) They must have Khyber Pakhtunkhwa (settled

areas before FATA merger) domicile.

- (b) Candidates for engineering programs must have appeared in the Entrance Test conducted by the Government of Khyber Pakhtunkhwa, Educational Testing and Evaluation Agency (ETEA), Peshawar for the Academic Session 2022-23. The Entrance test is valid for one academic year only.
- (c) They must possess any one of the following qualifications:
 - (i) Intermediate (Pre-Engineering) with the subjects of Mathematics, Physics and Chemistry from a recognized Board of Intermediate and Secondary Education in Pakistan with at least 60% unadjusted marks.
 - (ii) Intermediate (Pre-Engineering) with the subjects of Mathematics, Physics and Computer Science from a recognized Board of Intermediate and Secondary Education in Pakistan with at least 60% unadjusted marks. Such candidates are eligible for admission to Computer Software Engineering only.
 - (iii) A certificate equivalent to the Intermediate (Pre-Engineering) examination with at least 60% unadjusted marks. Such candidates shall have to produce "Equivalence and Conversion of Marks Certificate" issued by the Inter Board Committee of Chairmen (IBCC), Ministry of Education, Islamabad, Government of Pakistan, along with the application form. Pakistani Nationals are further required to have qualified the subjects of Islamiyat, Pakistan Studies and Urdu at either SSC or Intermediate levels.
 - (iv) The candidates other than Afghan nationals who have passed Baccalaureate Grade- 12 Examination Certificate from Afghanistan are ineligible to apply for admission on OPEN MERIT or any other RESERVED QUOTAS.
 - (v) Candidates who have passed Intermediate or equivalent examination and have obtained at least 50% unadjusted marks with any of the following combinations are eligible to apply for admission to BS

Computer Science program:

- a. Physics, Mathematics, Chemistry
- b. Physics, Mathematics, Computer Science
- c. Physics, Chemistry, Biology
- (vi) Candidates who have passed Intermediate either Arts or Science subject or equivalent examination and have obtained at least 50% unadjusted marks are eligible to apply for admission to BS English program.

10.2 QUOTA SEATS

Candidates applying against reserved quotas must fulfil the requirement of qualification mentioned in 2.1(c) above and also meet the following criteria:

- (a) They must have domicile of the relevant area and meet the additional conditions of the relevant reserved seats, stated in Section 4.
- (b) Candidates for engineering programs with domicile of Khyber Pakhtunkhwa/Erstwhile FATA must have appeared in the Entrance Test conducted by the Government of Khyber Pakhtunkhwa, Educational Testing & Evaluation Agency (ETEA), Peshawar for the Academic Session 2022-23. The Entrance Test is valid for one academic year only.
- (c) Candidates studying abroad and candidates with domicile of other provinces, seeking admission on reserved seats must have passed Scholastic Aptitude Test (SAT-II) (Physics, Chemistry, Mathematics) with a minimum score of 50% or appeared in the entrance test (conducted in the current year) from any other Pakistan Engineering Council (PEC) accredited public sector engineering university of the respective province. The SAT-II test shall be valid for two academic years.
- (d) Candidates seeking admission against the AJK reserved seats must belong to AJK and appeared in the entrance test (conducted in the current year) by ETEA or any other public sector Testing Agency, PEC accredited engineering university in Pakistan.

NOTE:

- Applications for admission, complete in all respect, must reach to the Directorate of Admissions on or before the closing dates.

- Admission Applications of candidates, whose results are not declared till the last date of submission of application form, shall not be considered.

11. APPLICATION PROCEDURE

- 11.1 Candidates applying for admission against Open Merit, and University Employees, Sons/Daughters Quota Seats, mentioned in Table 1, are directed to submit online their application forms for admission to the Directorate of Admissions, UET Mardan on or before the last date advertised for the purpose. University Employees, Sons/Daughters are also eligible to compete on open merit for which a separate application forms will have to be submitted to the Directorate of Admissions on or before the last date. Incomplete applications or applications received after the closing date shall not be entertained.
- 11.2 Candidates applying for admission against the quota seats allocated for AJK and Baluchistan, (mentioned in Table 1) shall submit their applications through their nominating agencies. Disciplines for these categories shall be allotted by the nominating agencies. The University shall communicate the last date for the receipt of nominations to the concerned nominating agencies.
- 11.3 Candidates applying for admission against the erstwhile FATA seats shall submit their applications to UET Peshawar.
- 11.4 Candidates applying under the categories of Erstwhile FATA, AJK and Baluchistan mentioned in table of seat allocation, are ineligible to compete on open merit basis.
- 11.5 Candidates, who are eligible to apply for more than one category, shall submit separate applications on prescribed forms of reserved quotas for each additional category
- 11.6 Candidates selected for admission shall submit original documents at the time of admission/interview. Original documents of candidates shall be retained by the department concerned and shall be returned at the time of leaving the University. Documents once

submitted with application form cannot be changed and shall be considered as final. The University will accept all required documents of admitted students duly verified from the concerned Boards/Institutions.

- 11.7 List of required documents (attested photocopies) to be submitted with Application Forms.
- DMCs of SSC and HSSC/Intermediate Part-I & Part-II (Separate).
 - DMC of Additional Mathematics, (if applicable).
 - DMCs of Diploma of Associate Engineer (DAE), if applicable.
 - Original/Provisional Certificate of SSC and HSSC/DAE.
 - Hafiz-e-Quran Certificate from a recognized institution (if applicable).
 - Domicile Certificate of the Candidate.
 - Father's/Mother's/Guardian's Computerized National Identity Card.
 - Computerized National Identity Card or Children Registration Certificate (CRC) of the applicant.
 - Good Character Certificate from the institute last attended.
 - Five recent passport size colored photographs (blue background) of the Candidate
- 11.8 List of original documents to be submitted at the time of admission interview
- Detailed Marks Certificate of Intermediate (Pre-Engineering) or equivalent examination on the basis of which admission is sought. In case the examination consists of Part-I and Part-II, detailed marks certificates of each part shall be submitted.
 - An equivalence/marks conversion certificate, issued by the Inter-Board Committee of Chairmen (IBCC), Ministry of Education, Islamabad, Government of Pakistan in case of candidates having passed equivalent examination from an institute outside Pakistan.
 - Original/Provisional Certificate of SSC and

HSSC/DAE

- (iv) Detailed Marks Certificates (DMC) of Secondary School or equivalent examination.
- (v) Domicile Certificate of the candidate.
- (vi) Hafiz-e-Quran Certificate (if applicable) from a recognized institution.
- (vii) Good Character Certificate from the institute most recently attended by the candidate.
- (viii) Computerized National Identity Card or Children Registration Certificate (CRC) of the candidate (Attested Photocopy).
- (ix) Computerized National Identity Card of the applicant's Father/mother/guardian (Attested Photocopy).
- (x) Medical Fitness Certificate from a registered medical practitioner, at least MBBS.
- (xi) Income certificate of parents/guardian on prescribed proforma.
- (xii) Undertaking (on prescribed proforma) on a Non-judicial stamp paper worth Rs.50/- attested by the Oath Commissioner for (a) non-indulgence in politics in the university, (b) a declaration to the effect that he/she would abide by the rules and regulations of the University and obey instructions issued to him/her from time to time by the University Authorities. The undertaking must be signed by the candidate and countersigned by his/her father or guardian (as the case may be).
- (xiii) For in-service candidates, permission letter and evidence of leave for the study period from their employer.

12. RESERVED SEATS

12.1 Erstwhile Federally Administered Tribal Areas (Erstwhile-FATA)

Focal point for dealing applications of Erstwhile FATA applicants is Directorate of Admissions, UET Peshawar. Ministry of States and Frontier Regions (SAFRON), Government of Pakistan/FATA Secretariat/Home and Tribal Area's department, shall make nominations of candidates.

12.2 Azad Jammu & Kashmir

Nomination of candidates fulfilling eligibility criteria shall be made by the Nomination Board, Government of Azad Jammu & Kashmir, Muzaffarabad.

12.3 Balochistan Province

Nominations of candidates fulfilling eligibility criteria shall be made by the Director of Colleges, Higher & Technical Education, Govt. of Balochistan, Quetta.

12.4 Sons/Daughters of Employees of UET Mardan

The admission of sons/daughters of employees of UET Mardan fulfilling eligibility criteria shall be made on merit.

- (a) Sons/daughters of the following categories of employees are eligible to apply:
 - (i) Permanent employees of UET Mardan who are confirmed in their service, on the last date of submission of application forms.
 - (ii) Retired employees who have served the University for at least 10 years.
 - (iii) Deceased employees who died while in service of the University, provided they were confirmed in their appointment at the time of death.
- (b) The Sons/Daughters of following employees are ineligible.
 - (i) Those who have been dismissed, removed or terminated from service.
 - (ii) Serving on deputation basis at UET Mardan.
- (c) Adopted children/dependents of employees are ineligible for admission against these seats.

13. ENTRANCE TEST

5.1 The Entrance Test for Engineering programs will be conducted by the Educational Testing and Evaluation Agency (ETEA), Government of Khyber Pakhtunkhwa.

- (a) Candidates belonging to Khyber Pakhtunkhwa/Erstwhile FATA/AJK/Northern Areas are eligible to appear in the Entrance Test who fulfill either of the following conditions.
- (b) Candidates who have passed Intermediate (Pre-

Eng) examination from a recognized Board of Intermediate and Secondary Education (B.I.S.E.) in Pakistan or any other equivalent examination and have obtained at least 60% unadjusted marks.

- (c) Candidates who have appeared in Part-II of Intermediate (Pre-Engineering) examination and are awaiting their results, are also eligible to appear for entrance test. However, all other admission conditions will be applicable.

5.2 Candidates who have passed Intermediate examination with the subject of Computer Science and intend to apply for admission in Computer Software Engineering, may take entrance test in Computer Science as a subject instead of Chemistry.

14. DETERMINATION OF MERIT

14.1 Merit of candidates against open, self-finance, and reserved seats will be determined according to the following criteria or as per HEC/PEC policy:

14.1.1 Engineering Program

- (a) 10% weightage to Percent marks in SSC Examination
- (b) 40% weightage to Percent marks in Intermediate or equivalent examination (adjusted marks)
- (c) 50% weightage to Percent marks in Entrance Test

14.1.2 Non Engineering Programs

- (a) 20% weightage to Percent marks in SSC Examination

- (b) 80% weightage to Percent marks in Intermediate or equivalent examination (adjusted marks)

14.2 To determine merit, total marks obtained by a candidate in Intermediate Examination shall be adjusted in the manner given below:

- (a) For each additional attempt to pass or to improve Intermediate examination, (Part-I & Part-II), candidates will lose 10 marks. However, in any case, the total deduction of marks under this clause shall not exceed 20.
- (b) Candidates taking Mathematics as additional subject shall also lose 10 marks
- (c) If a candidate is Hafiz-e-Quran, he/she will get additional marks out of twenty, provided that he/she has a valid certificate from Wifaqul Madaris (or any other HEC-recognized board) and qualifies the test conducted by the Hafiz-e-Quran Evaluation Committee on the date and time notified for the purpose. Composition of the committee will be as under
 - Convener Admission Committee (Convener)
 - A Hafiz-e-Quran certified by a recognized Board/Madrassa (Member)
 - A college/University teacher teaching the course Islamic Studies (Member)

14.3 In case of a tie in any merit position for admission, the marks obtained in Intermediate/ equivalent examination shall over-ride. In case of a further tie, the age of the applicants shall be the criteria and the older candidate shall get preference

EXAMPLE:

Percentage Marks in SSC	PSS	= (827x1100) x 100 = 75.20
Percentage Marks in Fsc (Adjusted)	PFS	= ((918-10) / 1100) x 100 = 82.54
(-10 for Additional Maths or Improvement attempt as given in 6.2 a)		
Percentage Marks in ETEA	PET	= 605/800 x 100 = 75.62
Cumulative Score =	PSS x 0.1 + PFS x 0.4 + PET x 0.5	
	75.20 x 0.1 + 82.54 x 0.4 + 75.62 x 0.5	
	7.52 + 33.02 + 37.81 = 78.35	

ADMISSION

PROCEDURE

- 15.1 The Directorate of Admissions shall call applications for admission to BSc. Engineering and process all valid applications received for admission to BSc. Engineering.
- 15.2 Admission of candidates shall be based on their choice of disciplines given in the application form.
- 15.3 Provisional merit list will be prepared and displayed on the admission Notice Board of the University and University Website <http://www.uetmardan.edu.pk>.
- 15.4 The provisionally selected candidates will be informed through notification on University official webpage <http://www.uetmardan.edu.pk> and display on admission Notice Board. It is the responsibility of the candidates to check the admission Notice Board /University official webpage and appear for interview on the date announced.
- 15.5 (a) Candidates can change/update the order of preferences or can Correct/Rectify their data, as per the admission schedule announced by the Director of Admissions by filling the Correction/Rectification Form, available at the Directorate of Admission on a payment of Rs. 200/-.
- (b) Copy of previously submitted application form must be attached with Correction/Rectification Form.
- 15.6 Selected candidates are required to appear for interview/admission along with their parents /guardian. Candidates will be required to complete admission formalities on the same date, failing which the seat shall fall vacant.
- 15.7 Subsequent to completion of first phase of admission process, adjustment of seats will be carried out and provisionally admitted students will be allotted disciplines of their higher choices strictly on merit subject to availability of vacant seats.
- 15.8 A candidate who does not want to change the discipline in which he/she got admission, must freeze his/her seat in the current discipline at the time of admission interview.
- 15.9 Subsequent revised merit lists will be displayed on the Admission Notice Board/University website. No separate offer letters will be issued in this regard. Applicants will be responsible to check the admission notice board/University website and complete their admission formalities by the last date, failing which the seat will fall vacant.
- 15.10 The Admission Committee will recommend names of provisionally admitted candidates to the Vice-Chancellor for approval. Admission of candidates will be confirmed after the completion of admission procedure.
- 15.11 (a) The admission process, including adjustment of seats, shall be completed before the commencement of the classes. Admissions against the reserved seats will be confirmed upon receiving nominations from the concerned agencies.
- (b) Admission of the students on Quota seats (AJK, Erstwhile-FATA, Baluchistan or any other quota seats approved by the competent authority) will be confirmed upon receiving nominations from the concerned agency.
- (c) The Vice-Chancellor on the recommendation of the Admission Committee may allow late admission

depending upon availability of seats up to fourth week of the commencement of classes.

Note: In case of late admissions, it will be the sole responsibility of the students to fulfill their academic responsibilities.

- 15.12 Within 60 days of the last date of admission, particulars of candidates (on the prescribed form along with the recommendations of the Admission Committee) shall be forwarded by the Directorate of Admissions to the Vice-chancellor for approval. After approval of the Vice-Chancellor, names of the candidates shall be entered in the University Students' Register and student identity cards shall be issued to them in token thereof.
- 15.13 Disciplines allotted to candidates at the end of admission process shall be final and shall not be changed.
- 15.14 No change of Discipline shall be allowed on mutual basis.
- 15.15 A bona-fide student of the University who joins any other Department/Institution or Academy for the purpose of study shall be liable for immediate cancellation of his/her admission.
- 15.16 Changes made in rules or regulations after printing of this prospectus shall be deemed to be part of the prospectus.
- 15.17 Petitions against decisions of the Admission Committee shall be heard in Peshawar High Court, Peshawar.

Note: Applicants are themselves responsible for checking admission Notice Boards of the University for merit list and for completing admission formalities within specified time limits. Offer letters and newspaper advertisements are for convenience of the applicants only. A call letter wrongly issued to a candidate as a result of some inadvertent mistake on part of the University shall not confer any right of admission to the candidate.

16. ADMISSION OF FOREIGN NATIONALS

- 16.1 Foreign applicants seeking admission should send their applications to the Ministry of Finance and Economic Affairs, Government

of Pakistan, Islamabad. A certificate should accompany the application, from an appropriate authority of the applicant's country, to the effect that the applicant is a bona-fide citizen of that country and is financially sound to meet the expenditure on his/her studies.

- 16.2 Foreign applicants shall be required to join the University within 15 days from the commencement of classes, failing which their nominations shall be cancelled. In case of genuine reasons, extension may be allowed by the university authorities on the recommendation of the Admission Committee.
- 16.3 The Higher Education Commission (HEC), Islamabad, shall issue Foreign Students Identity Cards. The students shall return these cards to HEC, Islamabad after completion of their studies.
- 16.4 Candidates possessing Tourist/Invalid Visas are ineligible for admission.
- 16.5 Afghan Refugees, registered in Pakistan with NADRA, nominated by Government of Pakistan, Higher Education Commission, Islamabad against program, must fulfil the eligibility conditions of at least 60% unadjusted marks in Intermediate (Pre-Engineering) or equivalent examination.
- 16.6 Foreign students must have stayed and studied abroad physically and have passed Higher Secondary School Certificate (HSSC) or equivalent examination with at least 60% aggregate marks in the subject of English, Physics, chemistry and Mathematics. There shall be no exception to this requirement.
- 16.7 Foreign students seeking admission in BSc. Engineering are required to pass SAT-I and SAT-II (Physics, Chemistry, Mathematics) with a minimum score of 50%.
- 16.8 If any of the particulars given by the foreign student in his/her application form for admission are found incorrect or facts suppressed, his/her admission will be cancelled.

17. ADMISSION BY MIGRATION

A student desiring to migrate to UET Mardan should submit application for migration, within 15 days of the commencement of a semester, to the Dean, Faculty of Engineering and Computing along with fee receipt of Rs. 200,000/- (Rupees Two hundred thousand only) as migration fee in favor of the Treasurer, UET Mardan.

17.1 The admission by migration shall be governed by the following:

- (i) The admission by migration is allowed only in the same discipline.
- (ii) The applicant is a bona-fide student of an HEC recognized public sector institution and studying in a program/discipline accredited by the relevant accreditation body of Pakistan.
- (iii) The applicant shall produce a No Objection Certificate (NOC) from the University/College/Institution, where he/she has been studying. The NOC must include the statement that the student has not been debarred from taking University examination, nor has been expelled, rusticated from the institution from which he/she intends to migrate and that no disciplinary action has been taken or pending against him/her.
- (iv) The applicant must also submit an upto date official interim transcript, content of the courses studied, duly certified by the Chairman/Head of the Department.
- (v) In case of migration to the engineering programs, the student must also submit a certificate by Chairman/Head of the Department showing Program Learning Outcomes (PLOs) attainment progress of the student.
- (vi) Maximum upto 50% of the total credit hours can be transferred.
- (vii) Migration shall be allowed only in the 3rd, 4th, and 5th semesters of BSc. Engineering.

17.2 Dean, Faculty of Engineering and Computing will refer the application for initial scrutiny to the Chairman of the concerned department. After scrutiny, the Chairman will return the application to the Dean and may also recommend to repeat courses in which the

candidate has been found deficient.

- 17.3 The Admission Committee may recommend the acceptance of the applicant based on availability of seats in the department, physical facilities and feedback received from the Chairman of the concerned Department. The Vice-Chancellor, on the recommendation of the Admission Committee, will approve migration of the student.
- 17.4 The Candidates domiciled in Khyber Pakhtunkhwa/Erstwhile FATA shall be given preference.
- 17.5 In case of more applications for migration than the available seats in a department in a particular semester, preference will be given to the applicants having higher CGPA.
- 17.6 Applicant for migration to a particular semester must have already studied and passed all courses equivalent to the courses taught in earlier semesters at this University with a minimum CGPA of 2.00.
- 17.7 The candidate should satisfy the minimum merit of that batch for which the student seeks migration.
- 17.8 Migration of a candidate domiciled in Khyber Pakhtunkhwa/Erstwhile FATA admitted in any Engineering University /College on the quota basis may be considered for migration against available relevant Quota seats only. Further, the candidate must also have to produce No Objection Certificate from the relevant nominating agency.
- 17.9 No migration is allowed on "mutual" basis.

18. CANCELLATION OF ADMISSION

- 18.1 A bona-fide student of the University may apply in person, or through parents/guardians for cancellation of admission on a non-judicial stamp paper worth Rs.50/- duly attested by an Oath Commissioner. The Chairman of the concerned department shall cancel the admission of the student and notify the same.
- 18.2 In case, the admission of 1st semester student is cancelled due to any reason, the rules regarding University fee/dues chargeable/refundable mentioned in the fee

section of the prospectus 2022-2023 will be applicable. Whereas in all other cases, all outstanding dues/fees etc. till date must be paid.

19. ADMISSION IN SECOND DISCIPLINE OF BSc. ENGINEERING

- 19.1 Candidates seeking admission in second discipline should have passed their first discipline by obtaining minimum CGPA 2.5 from any PEC accredited program from HEC recognized University/Institute. However, they will be required to clear those subjects of BSc. Engineering which they have not studied in first discipline.
- 19.2 Candidates seeking admission in second discipline should submit application form along with educational documents (including attested copy of the BSc. Engineering degree and transcript) to the Directorate of Admissions on or before the last date announced.
- 19.3 Candidates should register courses rather than semesters within the course/semester registration deadline specified in the academic calendar.
- 19.4 Admission shall be granted within 15 days of the commencement of first semester of the second discipline. However, they will get credit of the common courses already studied in the first discipline.
- 19.5 Candidates possessing domicile other than Khyber Pakhtunkhwa/FATA and those from foreign countries may be considered for admission in second branch of BSc. Engineering. However, candidates from foreign countries will be required to produce NOC from their respective embassies and Government of Pakistan, Ministry of Finance & Economic Affairs, Islamabad.
- 19.6 Each Department may admit a total of 7 candidates in second-degree course. Admission for candidates who have domicile other than Khyber Pakhtunkhwa/Erstwhile FATA, and candidates from foreign countries, shall be limited to two in each department.
- 19.7 Tuition fee/other user charges shall be

charged as under:

(a) Candidates possessing Khyber Pakhtunkhwa/ Erstwhile FATA domicile shall be charged a sum of Rs. 18,000/- (Rupees eighteen thousand) per semester at the time of registration, in addition to the normal tuition fee & user charges

(b) Candidates having domicile other than Khyber Pakhtunkhwa/ Erstwhile FATA, and Foreign students shall be charged a sum of Rs. 500,000 (Rupees five hundred thousand) in lump sum at the time of admission, in addition to the normal tuition fee/user charges.

- 19.8 Candidates for the second-degree program may opt to register for any subject in which they are exempted for having passed it during their first-degree program. Previous results of the subjects shall become invalid, once they opt to re-sit in the same.

20. ADMISSION OF THE CANDIDATES HAVING A DIPLOMA OF ASSOCIATE ENGINEER

20.1 Eligibility Rules

- (i) The applicant should have Khyber Pakhtunkhwa domicile
- (ii) The applicant should have passed the relevant diploma examination from the Khyber Pakhtunkhwa Board of Technical Education.
- (iii) The applicant should have passed the diploma examination obtaining at least 60% unadjusted marks.
- (iv) Applicants shall not be eligible unless their diplomas are in the relevant technology as specified against each degree course given below:

Table 2: Programs Available at UET Mardan and eligible diplomas

S. No.	Program	Eligible Diplomas
1	Computer Software Engineering	Diploma in Software Technology
		Diploma in Computer Technology
		Diploma in Computer Information Technology
		Diploma in Telecommunication Technology
		Diploma in Electronics Technology
2	Electrical Engineering	Diploma in Electrical Technology
		Diploma in Electronics Technology
		Diploma in Instrumentation Technology
		Diploma in Precision Mechanical & Instruments Technology
		Diploma in Instrumentation & Process Control Technology
3	Telecommunications Engineering	Diploma in Telecommunication Technology
		Diploma in Electronics Technology
		Diploma in Avionics Technology
		Diploma in Instrumentation Technology
		Diploma in Radar Technology
		Diploma in Radio Technology
4	Civil Engineering	Diploma of Associate Engineering Civil Technology
5	Mechanical Engineering	Diploma in Precision Mechanical and Instrument Technology
		Diploma in Mechanical Technology
		Diploma in Mechanical Technology(Power)
		Diploma in Mechanical Technology (Production)
		Diploma in Auto and Diesel Technology
		Diploma in Automation technology
		Diploma in Biomedical Technology
		Diploma in Refrigeration and Air Conditioning

20.2 MERIT CALCULATION

Merit of candidates will be determined according to the following criteria:

- 10% weightage to Percent marks in SSC Examination
- 40% weightage to Percent marks in DAE Examination (adjusted marks)
- 50% weightage to Percent marks in Entrance Test

20.3 ADJUSTMENT OF MARKS

To determine merit, total marks obtained by a candidate in the DAE shall be adjusted in the manner given below:

- For each additional attempt to pass or to

improve Intermediate examination, (Part-I, Part-II & Part-III), candidates will lose 10 marks. However, in any case, the total deduction of marks under this clause shall not exceed 20.

- If a candidate is Hafiz-e-Quran, he/she will get additional marks out of twenty, provided that he/she has a valid certificate from Wifaqul Madaris (or any other HEC-recognized board) and qualifies the test conducted by the Hafiz-e-Quran Evaluation Committee on the date and time notified for the purpose. Composition of the committee will be as under:

- Convener Admission Committee (Convener)
- A Hafiz-e-Quran certified by a recognized

Board/Madrassa (Member)

- A college/University teacher teaching the course Islamic Studies (Member)

In case of a tie in any merit position for admission, the total marks obtained in DAE examinations shall over-ride. In case of a further tie, the applicants with higher SSC marks shall get preference.

20.4 ADMISSION PROCEDURE

20.4.1 The Directorate of Admissions shall call applications for admission and process all valid applications received.

20.4.2 Provisional merit list will be prepared and displayed on the admission Notice Board of the University and University Website <http://www.uetmardan.edu.pk>.

20.4.3 The provisionally selected candidates will be informed through notification on University official webpage <http://www.uetmardan.edu.pk> and display on admission Notice Board. It is the responsibility of the candidates to check the admission Notice Board /University official webpage and appear for interview on the date announced.

20.4.4 (a) Candidates can Correct/Rectify their data, as per the admission schedule announced by the Director of Admissions by filling the Correction/Rectification Form, available at the Directorate of Admission on a payment of Rs. 200/-.

(b) Copy of previously submitted application form must be attached with Correction/Rectification Form.

20.4.5 Selected candidates are required to appear for interview/admission along with their parents /guardian. Candidates will be required to complete admission formalities on the same date, failing which the seat shall fall vacant.

20.4.6 Subsequent revised merit lists will be displayed on the Admission Notice Board/University website. No separate offer letters will be issued in this regard. Applicants will be responsible to check the admission notice board/University website

and complete their admission formalities by the last date, failing which the seat will fall vacant.

20.4.7 The Admission Committee will recommend names of provisionally admitted candidates to the Vice-Chancellor for approval. Admission of candidates will be confirmed after the completion of admission procedure.

20.4.8 The Vice-Chancellor on the recommendation of the Admission Committee may allow late admission depending upon availability of seats up to fourth week of the commencement of classes.

Note: In case of late admissions, it will be the sole responsibility of the students to fulfil their academic responsibilities.

20.4.9 Within 30 days of the last date of admission, particulars of candidates (on the prescribed form along with the recommendations of the Admission Committee) shall be forwarded by the Directorate of Admissions to the Vice-chancellor for approval. After approval of the Vice-Chancellor, names of the candidates shall be entered in the University Students' Register and student identity cards shall be issued to them in token thereof.

20.4.10 A bona-fide student of the University who joins any other Department/Intuition or Academy for the purpose of study shall be liable for immediate cancellation of his/her admission.

20.4.11 Changes made in rules or regulations after printing of this prospectus shall be deemed to be part of the prospectus.

20.4.12 Any seat falling vacant in the first phase of admission will be offered to the next candidates in order of merit.

20.4.13 Petitions against decisions of the Admission Committee shall be heard in Peshawar High Court, Peshawar.

Note: Applicants are themselves responsible for checking admission Notice Boards of the University for merit list and for completing admission

formalities within specified time limits. Offer letters and newspaper advertisements are for convenience of the applicants only. A call letter wrongly issued to a candidate as a result of some inadvertent mistake on part of the University shall not confer any right of admission to the candidate.

21. MIGRATION TO OTHER ENGINEERING UNIVERSITIES/COLLEGES

- 21.1 A student may be allowed to migrate to other Universities/institutions after obtaining No Objection Certificate (NOC) from the Office of Dean, Faculty of Engineering and Computing on the recommendation of the concerned Chairman of the department.
- 21.2 NOC shall not be issued unless the student has cleared all the University dues.
- 21.3 Migration certificate shall be issued after cancellation of admission in the department in which the student is studying.
- 21.4 No migration certificate shall be issued to a student who has been debarred from taking university examination or has been expelled or rusticated, so long as the punishment remains enforced.

22. SPECIAL PROVISIONS

- 22.1 In all cases where these regulations are silent, the decision of the Vice-Chancellor shall be final.
- 22.2 This prospectus applies to all undergraduate students admitted during the session 2022-23. Any subsequent change/alteration in the rules made by the competent authority shall also be applicable.
- 22.3 The University authorities reserve the right to make any changes in the existing statutes, regulations, rules, fee structure, allocation of seats and course of study that may be considered necessary at any time without prior notice.
- 22.4 No student is allowed to maintain simultaneous enrolment in any other program of studies in other educational institutions.

- 22.5 In case a student enrolled in this University is found to be a regular student of some other institutions, his/her admission in this University shall be cancelled.
- 22.6 If any of the particulars given by the candidate in his/her application for admission is found incorrect or facts suppressed, he/she shall be refused admission. If any incorrect or false statement or suppression of facts is detected after a candidate has been granted admission, his/her admission shall be cancelled, and he/she shall be liable to any other disciplinary or legal action, which the University may deem fit. A student shall be expelled from the University at any time during the course of his/her studies, if for any reason it is found that he/she was not entitled to admission in this University. A student expelled under this clause shall not be eligible to seek admission again in this university. Moreover, all the fees, funds and other user charges deposited by him shall be forfeited in favor of the University. Further, no show cause notice shall be issued in this regard.
- 22.7 A student will cease to be a regular student as soon as his/her final semester examination is concluded. Such a student shall not be entitled for privileges reserved for regular students.
- 22.8 The University makes all possible efforts for the safety of the students. However, the University shall not be responsible in the event of any injury damages or loss to a student resulting from any cause, whatsoever, during the course of study.
- 22.9 Students are required to know the rules and regulations mentioned in this prospectus and notified from time to time. Ignorance of rules and regulations does not absolve them of their responsibilities.
- 22.10 Interpretation of these rules and regulations by authorized officers of the University shall be final.

ADMISSION RULES

(SELF-FINANCE PROGRAMS)

1. GENERAL

The University offers admission in the following non-subsidized/self-finance schemes for the Academic Session 2021-22:

2. ADMISSION CRITERIA

- 2.1 The admission criteria shall remain the same for Engineering Programs, i.e., at least 60% (unadjusted) marks in Intermediate (Pre-Engineering) or equivalent and appearance in the Entrance Test conducted by ETEA (for Khyber Pakhtunkhwa /erstwhile FATA candidates).
- 2.2 The admission criteria for Computer Science shall be at least 50% marks (unadjusted) in the Intermediate or equivalent and appearance in the entrance test conducted by ETEA or the test held through a Testing Agency (nominated by UET Mardan) or by the University itself.
- 2.3 Admission against these seats shall be on the basis of merit.
- 2.4 The University is not liable to provide accommodation in the University Hostels to the students admitted under this scheme.
- 2.5 Besides clauses mentioned above, all other relevant clauses given in the Undergraduate Prospectus 2022-23 shall be applicable to this scheme. In case of a conflict with the relevant clauses mentioned elsewhere in the Prospectus, these clauses shall prevail.

Table 1:

Seat Allocation for Non-Subsidized Programs

S.No	Program	Seats
1	BSc. Electrical Engineering	26
2	BSc. Telecommunication Engineering	6
3	BSc. Computer Software Engineering	9
4	BS Computer Science	30
5	Civil Engineering	14
6	Mechanical Engineering	14
	Total	99

ACADEMIC &

EXAMINATION RULES

1. BACHELOR'S DEGREE COURSES OFFERED

Bachelor's degree courses in the following disciplines are offered by the University:

- (a) Computer Software Engineering
- (b) Computer Science
- (c) Electrical Engineering
- (d) Telecommunication Engineering
- (e) Civil Engineering
- (f) Mechanical Engineering

2. MEDIUM OF INSTRUCTION

The medium of instruction and examinations will be English except in Islamic Studies and Pakistan Studies, where the options of English and Urdu shall be available.

3. ACADEMIC CALENDAR

Academic year comprises of two semesters: Fall and Spring. The duration of each semester is eighteen (18) weeks, where 9th and 18th weeks are reserved for Midterm and Final term examinations, respectively, and the remaining sixteen weeks are reserved for teaching. The number of weeks may be adjusted by the University provided the duration of teaching as defined above is not reduced.

The Dean, Faculty of Engineering and Computing will issue a calendar for the academic year before the beginning of Fall semester every year. The calendar will include dates of registration, classes, holidays, and examinations etc. The calendar may be revised during the academic year as and when required due to unavoidable circumstances.

4. DURATION OF STUDIES

The minimum duration of studies for completing bachelor's degree requirements shall be eight

semesters (4 years) for Engineering and Computer Science Programs, while the maximum duration of studies will be as per the duration specified by relevant accreditation bodies, i.e., PEC/NCEAC.

5. SCHEME OF STUDIES

5.1 GENERAL

Course work for earning the degree comprises Theory Courses, Laboratory Courses, and Final Year Project. Each course offered at the university is allocated certain credit hours, which is a measure of the amount of work required for the course. For Theory courses, each credit hour means one hour of lecture per week, while for lab courses each credit hour means three hours of practical work per week. The students must register and carry out Final Year Projects (FYP) in the last two semesters (7th and 8th) of their study along with studying courses. The FYP is meant to provide students a holistic experience of entire Engineering process. The FYP comprises of three credit hours (9 contact hours per week) in each of the last two semesters. Grade "IP" is awarded for FYP in the 7th semester, which is converted to an appropriate letter grade at the end of last semester, based on student's performance in both semesters.

5.2 CURRICULA

Coursework shall be spread over credit hours, as specified in the Scheme of Studies of each program given in the Undergraduate Prospectus on pages of the relevant Department. For information related to course outline, consult the approved curriculum of the Department.

6. DEGREE REQUIREMENTS

To earn a bachelor's degree, a student must:

- (a) Pass all the courses of study prescribed in the relevant Scheme of Studies.
- (b) Obtain a Cumulative Grade Point Average (CGPA) of at least 2.0.
- (c) Complete 8 weeks duration of relevant practical training in a recognized government, semi-government, or private organization.

7. REGISTRATION

7.1 GENERAL

Before the beginning of classes in each Semester, the Departments will announce the courses offered and will arrange Semester Registration for the students. Students are required to register for relevant semester within the due date specified in the Academic Calendar by filling the prescribed registration form and depositing the amount payable within the last date announced for the purpose.

Semester Registration forms will be checked by the concerned batch advisors. Forms with deficiency will be returned to students for correction. Registration Forms, complete in all respects, will be kept in the student's record at the department and lists of registered students will be forwarded to the Controller of Examination.

The students must register for successive semesters in order and shall not be allowed to register for a semester without having studied the preceding semesters except as noted in section 7.2.

A student who fails to register in a particular semester shall not be eligible for registration in the next higher semester.

7.2 REGISTRATION IN THE FIRST SEMESTER

The Directorate of Admissions will forward a list of newly enrolled students to each department before the beginning of classes. The departments will arrange registration for the first semester and assign Class Numbers to the students. Students are required to submit their Migration Certificates from the concerned Board by the date notified by the department.

Subsequently, the department will forward names of the enrolled students along with their Migration Certificates to the Controller of Examinations for

allotting University Registration Number.

Students enrolled late due to the delay in receiving their nominations from the concerned agencies on quota seats shall:

- (a) Register for the first semester within 7-days of receiving nominations from the concerned agencies.
- (b) In case, nominations are received after the midterm examination, the student has to freeze his/her first semester by submitting semester fee, annual charges, etc. along with semester freeze fee. The student shall register in the second semester and pass first semester courses whenever offered.

7.3 RE-REGISTRATION

A student receiving F or W grade in any course shall be required to re-register in that course. A student receiving less than or equal to C+ grade in a course may also re-register in that course, to improve his/her grade subject to a maximum of one chance.

A department may offer repeated Courses (over and above the regularly scheduled courses) during a regular semester, subject to availability of resources, in order to facilitate re-registering students. However, minimum number of students re-registering must be 10; otherwise, the course shall be dropped.

A student may register for a maximum of credit hours according HEC rule during the summer session.

During a regular semester (Spring/Fall) a student may re-register for repeated courses in addition to the regular semester courses, provided that the total credit hours registered must not exceed 21 (the maximum allowed credit hours for a semester by HEC).

If a course is abolished due to revision in curriculum:

- (a) The Chairman of the Department may recommend a relevant course from existing curriculum as a replacement for the candidates who need to re-register in the abolished course. The same shall be reflected in the student's Registration Form and Transcript.
- (b) However, if no relevant/equivalent course is available in the existing curriculum, the student may be allowed to re-register the abolished course in any other department of UET Mardan,

when offered.

- (c) If an equivalent course does not exist, or is not offered by any department of UET Mardan, then the department may offer the abolished course subject to the availability of resources. However, this rule is only applicable in the following cases:
- The student received 'F' or 'W' grade in the abolished course
 - His/her CGPA is less than 2.00 and he/she has no chance to improve it in other course of existing curriculum.

If a student submits re-registration fee for a course and, for some reason, that course is not offered by the university, the student will be eligible for one of the following:

- (i) The submitted re-registration fee is refunded.
- (ii) The submitted re-registration amount is adjusted against other semester dues.

7.4 SUMMER SEMESTER (OPTIONAL)

Summer Semester is not part of regular Academic Calendar. However, if the University offers course(s) in Summer Semester subject to availability of resources, it should be notified after Spring Semester with the approval of the competent authority. A student may register for a maximum of credit hours according to HEC rule during the Summer Session. The minimum number of students required for offering a course in the Summer Semester is 10.

7.5 INTERRUPTION OF STUDIES

A. SEMESTER FREEZE

- (i) A student can freeze a semester by submitting an application along with semester freeze fee within the semester registration deadline specified in the University Academic Calendar.
- (ii) A candidate who gets a semester freeze can resume his/her studies (with the upcoming session) from the same stage where s/he left (froze). The maximum duration of the degree program (specified by the relevant accreditation bodies) which includes the freeze semester(s) duration of studies, shall remain the same.
- (iii) Freezing of first semester is not allowed. However, students admitted against the quota seats for agencies after midterm examination

can freeze their first semester only.

- (iv) The duration of Freezing is one year except for the students who froze their first semester due to late admission by nominating agencies.

B. OTHER REASONS

- (i) If a student withdraws all his/her courses of a semester for a valid reason, he/she will not be allowed to register for the next higher semester, rather he/she has to register for the same semester (which has been withdrawn) in the next academic year. There is only one chance of withdrawing from all courses of a semester.
- (ii) If a student fails to register a semester without freezing or withdrawing from all courses, his/her name will be struck off from rolls of the University.

8. ATTENDANCE REQUIREMENTS

Attendance in classes is mandatory and students are required to attend all classes. Under special circumstances, up to 25% shortage of attendance may be allowed.

In no circumstances shall a student be allowed to appear in the final examination of a course, if his / her attendance falls below 75% in that course.

If a student fails to attend any lecture for consecutive four weeks, the student will be placed on attendance probation and concerned Chairman will issue a letter to the student (a copy of which will be sent to parents/guardian of the student) to report within two weeks, failing which admission of the student shall stand cancelled automatically without any notification.

shall stand cancelled automatically without any notification.

9. EXAMINATION

9.1 PAPER SETTING

The examination paper for mid-term and final-term exams will be set by the subject teacher and submitted to the Chairman. The Chairman will check the paper for course coverage and appropriate depth and, when satisfied, forward the paper to the Controller of Examinations. Otherwise, the Chairman will refer the paper back to the teacher for revision. There will be no choice of questions in the examinations.

9.2 CONDUCT OF EXAMINATION

The Controller of Examinations will arrange the mid-term and final-term examinations, including preparation of date sheet, appointment of the invigilation staff etc. Each examination hall will be supervised by a Superintendent, who will be a senior teacher of the same department, and other staff, who may be from other departments. Students shall not be allowed to sit in the University examination if they have any arrears.

9.3 MARKING OF PAPERS

After marking the mid-term exam papers, the

teacher will display the result, and discuss the paper/answer sheets with the students to give them feedback on their performance.

After marking the final term exams, subject teachers will prepare result as per university policy and submit it to the Semester Coordinator/OBE Coordinator within the time allotted for the purpose.

9.4 RE-CHECKING

Students may apply to the Chairman of the concerned Department for re-checking of their final term exam papers (theory only) within the dates announced for the purpose.

9.5 GRADING

9.5.1 Distribution of Marks

9.5.1.1 Theory Courses

The distribution of marks for theory courses shall be as follows:

- (i) Grade "IP" (In Progress) is awarded for Project in the 7th semester, which is converted to an appropriate letter grade at the end of 8th semester, based on student's performance in both semesters.

9.5.1.4 Withdrawal of Course(s)

Students may withdraw from one or more courses with the approval of the Chairman of the department within two (2) weeks after the end of mid-term exam week.

9.5.1.5 "I" grade

Grade "I" (Incomplete) shall be awarded to a student only if he/she has missed the theory or lab final term examination or viva of lab course(s), due to a genuine reason. The award of grade "I" shall not cover a student's lethargic attitude, wilful absence, or bad performance in class.

Grade "I" should be converted into an appropriate letter grade within one year, otherwise the grade will be awarded based on the student's sessional and

midterm marks.

9.5.1.6 Grade for Non-Appearence in Final Exam Due to Short Attendance

A student who is not allowed to appear in the Final Examination of a course due to shortage of attendance shall be awarded zero marks in the Final Examination.

9.5.2 Award of Grades

9.5.2.1 General

(I) Grading of student will be through letter grades that indicate the level of performance, as shown below:

Table 1

Grade	Grade Point	Description
A	4.00	Excellent
A-	3.67	
B+	3.33	Above Average
B	3.00	
B-	2.67	
C+	2.33	Average
C	2.00	
C-	1.67	
D+	1.33	Minimum
D	1.00	Acceptable
F	0.00	Fail
W	–	Withdraw
I	–	Incomplete
IP	--	In-Progress

Table 2

S.No	Normalised Mark Range/Interval	Grade
1	$X < 50$	F
2	$50 \leq X < 55$	D
3	$55 \leq X < 60$	D+
4	$60 \leq X < 65$	C-
5	$65 \leq X < 70$	C
6	$70 \leq X < 75$	C+
7	$75 \leq X < 80$	B-
8	$80 \leq X < 85$	B
9	$85 \leq X < 90$	B+
10	$90 \leq X < 95$	A-
11	$95 \leq X \leq 100$	A

Note: X represents the Normalised Mark of a student

- (i) A student who has an outstanding I Grade in a course which is a pre-requisite for any course(s) in the following semester(s) shall not be allowed to register in the respective course(s).
- (ii) A student not allowed to appear in the Final Examination of a course due to shortage of attendance shall be deemed to have obtained zero marks in the Final Examination. The grade will be awarded based on the student's sessional and midterm marks.

9.5.2.2 Determining Student Grades

Student Grades in a class shall be determined as below:

- (i) Based on the sessional work, Mid-term and Final-term examination, calculate the actual marks of each student.
- (ii) Calculate 'Normalized Marks' for each student by multiplying the actual marks obtained with the factor "100 / Highest marks obtained in the class".
- (iii) The grades will be assigned, based on Normalised Marks, as per the table below:

9.5.2.3 Grading students in Repeated Courses

A Department may offer Repeated Courses (over and above the regularly scheduled courses) during a regular semester or during the summer session in order to facilitate re-registering students. For grading the students in such courses, their Total Marks will be merged with the Total Marks of the same course when it was last offered as a regularly scheduled course. Then the procedure outlined in section 10.2.2 above will be followed to determine the grades of re-registered students. However, the grades of the old students (of regularly scheduled course) will not be affected by this procedure.

9.5.2.4 Grade Point Averages (GPA)

The Letter Grades awarded to students in a course are assigned Grade Points, as defined in Table 1. The average performance of a student during a particular semester is indicated by the Semester Grade Point Average (SGPA) and the overall performance to date is indicated by Cumulative Grade Point Average (CGPA). These performance indicators are calculated as below.

SGPA = (Sum of quality points of all courses taken in

the semester / Total credit hours taken in the semester)

Quality Point (QP) is calculated as follows:

$QP = \text{Credit hours of the course} \times \text{Grade Points Obtained in the course}$.

Grade points of letter grades are shown in Table 2

$CGPA = (\text{Sum of quality points of all courses taken to date} / \text{Total Credit hours taken in all courses taken to date})$

Where Both SGPA and CGPA shall be rounded off to two decimal places.

In case a course is repeated, all of the grades obtained shall be reported in their relevant semesters

on the transcript; however, only the best grade shall be used to calculate the CGPA.

9.6 Satisfactory Academic Progress

Students must show satisfactory academic progress in order to remain in good standing. The following rules are meant to ensure that students get timely feedback on their academic progress:

- (i) A student who obtains SGPA of 2.0 or less in any semester shall be issued a written warning by the department chairman. A copy of the warning letter shall also be sent to the parents/guardian.
- (ii) A student who obtains SGPA of 2.00 or less for three consecutive regular semesters and his/her CGPA is less than 2.00, will be required to re-register until he/she improves CGPA to the minimum requirement for graduation. A written warning of this possibility will be sent to the student (with a copy to parents/ guardian) if his/her SGPA is less than 2.00 for two consecutive semesters.
- (iii) A student whose CGPA by the end of the fourth semester is less than 1.5 shall not be allowed to register for the fifth semester until his/her CGPA has improved to 1.5 or more.
- (iv) A student must graduate within the time duration specified by the relevant accreditation council of the program, in order to be eligible for registration with PEC/NCEAC.

Any student of the University, who breaches this requirement due to any reason, whatsoever, shall submit an affidavit to take the responsibility that he/she could not complete his/her degree

requirement within stipulated time as required by the relevant accreditation council and university will have no responsibility to this effect.

9.7 Transcripts

- (i) The Controller of Examinations shall issue Transcripts (Interim/Final) to students who apply for the purpose. The transcript shall show all courses taken and the grades obtained, along with SGPA of each Semester and the current CGPA.
- (ii) 12.2 Grade I received by a student shall be replaced by the grade awarded after completion of course requirements.
- (iii) 12.3 The transcripts of students who are admitted by Migration from another institution will show the accepted courses taken at their previous institution. Their CGPA will be calculated using these courses as well as courses taken at this university. However, a note will be added to their transcript to identify their previous institution and the courses taken at that institution.

9.8 Special Provisions

- (i) Interpretation of these Academic Rules by the authorized officers of the University shall be final.
- (ii) 13.2 In all cases where these Academic Rules are silent, the decisions of the Vice Chancellor shall be final.
- (iii) 13.3 The University authorities reserve the right to make any change in these Academic Rules at any time without prior notice.

11. HARASSMENT POLICY

The university has adopted the harassment policy of the HEC. Some of key sections of the policy are given below.

11.1 PROHIBITED CONDUCT

- (i) "Sexual harassment" means any unwelcome sexual advance, request for sexual favors or other verbal or written communication or physical conduct of a sexual nature, or sexually demeaning attitudes, where:
 - a) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual participation in any activity at the university;
 - b) Submission to or rejection of such conduct by an individual is used as a basis for academic or employment decision affecting that individual; or
 - c) Such conduct has the purpose or effect of unreasonably interfering with an individual's academic or work performance, or of creating an intimidating, hostile, or offensive educational or working environment.
- (ii) Sexual harassment may be overt or subtle, and can range from visual signals or gestures to verbal abuse to physical contact along with hand or sign language to denote sexual activity, persistent and unwelcome flirting.
- (iii) The following behaviors are specifically prohibited under this policy. This following are meant to provide specificity to the definition provided in clauses (i). However, it is not an exhaustive list, and other behaviors that fall within the scope of the definition above shall also be prohibited.
 - a) Especially Egregious Non-Consensual Acts: Acts that would be included in the category of rape. While such situations will be covered under the laws of the country, and law enforcement institutions and the courts will investigate and adjudicate accordingly, the University administration has a special obligation to take preventative measures, offer immediate assistance and take interim measures when required.
 - b) Non-Consensual Sexual Contact: Includes sexual contact with another person without consent.
 - c) Sexual Exploitation: Taking of actions that violate the sexual privacy of others or taking sexual advantage of another without their consent. For example, taking pictures, videotaping, viewing or distributing explicit images or sexual information of another person without their consent.
 - d) Other Pervasive or Severe Behaviors: It is not necessary that there be actual sexual contact for a behavior to be categorized as sexual harassment. Other unwelcome behaviors are also prohibited if (i) they are based on an individual's sex or gender (ii) are persistent or highly serious and (iii) create an atmosphere which is intimidating or hostile. These include but are not limited to lewd remarks or gestures, highly offensive jokes of a sexual nature, commenting inappropriately about another's body, and stalking.
 - e) Sex Discrimination: Adverse treatment of individuals based on their sex or gender rather than on merit. This would include instances such as the singling out (for such adverse treatment as lower salary or grades, or more severe punishment) of person(s) on the basis of sex or gender.
 - (iv) All the actions categorized as sexual harassment when done physically or verbally would also be considered as sexual harassment when done electronically such as through the internet, e- mails, social media, texting, telephone, voicemail etc.
 - (v) All actions of harassment or discrimination

may be taken by a person of any gender against a person of the same or another gender, and would be considered by the University if the act qualifies as a prohibited act under the policy.

- (vi) Sexual harassment is especially offensive when perpetrated by persons in authority, and when submission is made a condition toward any University activity or benefit (for example, when submission is made the basis of the evaluation of an individual).
- (vii) Sexual harassment will be considered especially egregious when the accused knew or reasonably should have known that the victim was in an impaired or incapacitated state. However, impairment of the accused, such as a result of the use of any illegal substances, shall not diminish their responsibility for harassment under this policy.

11.2 JURISDICTION

- (i) This policy applies to actions by students, faculty, staff, other members of the University community (such as interns, residents etc.), or third parties (such as service providers, visitors etc.), when the misconduct occurs:
 - a) on the University property (i.e. on campus) or in its immediate vicinity;
 - b) off the University property, if (i) the conduct occurs in connection with a University recognized program or activity or (ii) the conduct may create a hostile environment or pose a safety risk on campus; and
 - c) using the university's computing or network resources accessed from an off-campus location, which shall be deemed to have occurred on campus.

11.3 DESIGNATED RESOURCES

- (i) The University shall designate at least two members of the HEI administration (the "Focal Persons"), at least one of whom shall be a woman, to offer support and immediate assistance to those who have experienced sexual harassment. Contact information of such individuals shall be easily available, including on the University website.

- (ii) The University shall also constitute an Inquiry Committee to investigate and adjudicate any allegations of prohibited conduct (the "Inquiry Committee") in accordance with the provisions of Section 11.6 below. Those who have experienced sexual harassment may also contact members of the Inquiry Committee for support and advice.

11.4 COMPLAINTS & REPORTING

- (i) A complaint may be lodged by any person who has experienced sexual harassment as defined in Section 11.1 (Prohibited Conduct) read with Section 11.2 (Jurisdiction) of this policy, with either the Focal Person or with any member of the Sexual Harassment Inquiry Committee.
- (ii) In cases in which the conduct in question falls within the scope of the 2010 Harassment Act, the affected person shall also have an option to submit a complaint to the Ombudsperson in accordance with the provisions of the 2010 Harassment Act.
- (iii) In the event that a complainant is reluctant to contact the Focal Persons or any members of the Inquiry Committee, the complainant may contact a colleague, instructor, the employment supervisor, manager, department chair, dean or VC. It will be the responsibility of the individual contacted to report the case to the Inquiry Committee without identifying either the complainant or the alleged offender and to ask for advice on procedure and policy from them to effect solution, if a solution is necessary.
- (iv) Complainants shall be encouraged to submit complaints promptly, preferably within 3 months but no later than 12 months from the last date of the alleged harassment. An extension of up to 1 year may be granted by the Focal Persons or the Inquiry Committee upon written request stating the reasons for the delay in submitting the complaint.
- (v) All members of the University community are encouraged to report any instances of sexual harassment that they may have observed to the Focal Persons or the Inquiry Committee. For the purposes of safeguarding the campus community, University has an obligation to

investigate material violations of this policy even in the event that a formal complaint has not been filed.

- (vi) As soon as a complaint or report is received by one of the designated resources, it shall be shared by him or her (within a period of 24 hours) with all Focal Persons and members of the Inquiry Committee for further action.
- (vii) For minor violations, complainants may opt to make an informal complaint to either the Focal Person or the Inquiry Committee. The primary objective of informal resolution mechanism is to take preventative action, so that minor violations are detected early and appropriate warning is given to the accused to stop the offending behavior before it reaches a higher degree of seriousness. If the incident reported through this mechanism constitutes prohibited conduct under Section 11.1 of this policy, the Inquiry Committee shall deal with the complaint accordingly.

11.5 INTERIM MEASURES & SPECIAL ARRANGEMENTS

- (i) As soon as a complaint or report is received by designated resources or any member of the University administration, depending on the nature and seriousness of the offence, the Focal Persons shall take appropriate steps to provide interim measures that may be requested by the affected persons or as otherwise may be deemed appropriate. If the affected person is not satisfied with the measures taken, he or she may contact any member of the Inquiry Committee for necessary action. Interim measures include but are not limited to:
 - a) Adjustment in class or examination schedules, including for the purposes of attending hearings;
 - b) access to counselling services or other appropriate medical assistance;
 - c) change in the work assignments;
 - d) arrangement for any assessments or evaluations to be made by a neutral person;
 - e) adjustment to class schedule, including withdrawal from course or changing the section;
 - f) notifying the campus security officials (or law enforcement in case of serious violations) regarding the violation;
 - g) impositions of a University-wide order designed to prohibit contact or communication between certain persons;
 - h) change of the housing arrangement of certain persons; or
 - i) any other measures that may be deemed appropriate.

11.6 INQUIRY COMMITTEE

- (i) The Inquiry Committee shall be responsible for the investigation and adjudication of any complaint received in connection with the violation of this policy.
- (ii) The Inquiry Committee shall be constituted in the following manner:
 - a) The committee shall consist of three members, at least one of whom shall be a woman and one of the members shall be a member of the senior management of the University.
 - b) All members of the committee shall be employees of University and will be appointed by the Vice Chancellor (the "VC") after the VC has taken nominations from senior members of the University administration. The VC may co-opt one or more members from outside the University if it is otherwise not possible to designate three members as described above.
 - c) Members of the Committee shall be individuals who are known for being principled, credible, fair, gender-sensitive and have a strong character (someone who will not change their decision due to pressure from friends, colleagues or seniors). They shall have no conflict of interest in particular cases, and shall be impartial and unbiased.
 - d) Members of the Committee shall be appointed for a term of two year (shorter terms may be required occasionally to fill vacancies). No member shall serve for more than two consecutive terms. Former members will be eligible for reappointment

terms may be required occasionally to fill vacancies). No member shall serve for more than two consecutive terms. Former members will be eligible for reappointment after a lapse of two years.

- e) One of the members of the committee shall be appointed as the Chair by the VC, whose duties shall include, but are not limited to: maintaining order during hearings, answering procedural questions, granting or denying adjournments, maintaining proper documentation of the proceedings, which shall constitute the official record and reporting recommendations of the Committee to the VC. All these duties shall be undertaken in consultation with the Committee members.
 - f) In case a complaint is made against one of the members of the committee, that member shall be replaced by another (impartial member) for that particular case.
- (iii) The University shall endeavor to provide training to members of the Inquiry Committee in investigation and adjudication of conduct prohibited under this policy.
 - (iv) A University staff member shall be appointed to assist the Inquiry Committee. This work shall include responsibilities such as organizing meetings, acting as a liaison between the committee and the other parties involved, record keeping, making and updating a database to track the processing of complaints, and ensuring appropriate awareness raising about the issue of sexual harassment at the University.

11.7 INVESTIGATION & ADJUDICATION

- (i) All complaints alleging Sexual Harassment shall be forwarded to the Inquiry Committee within 24 hours of being received by the Focal Persons or any other office of the University.
- (ii) As soon as is reasonably practicable after receiving a complaint, the Inquiry Committee shall determine whether the alleged conduct in the complaint meets the criteria set forth in Sections 11.1 (Prohibited Conduct) and Section 11.2 (Jurisdiction) of this policy. If it is

determined by a majority of the members of the Inquiry Committee that the alleged conduct meets the aforementioned criteria, a formal investigation shall be initiated.

- (iii) In the absence of a formal complaint, if a serious violation of this policy is reported to the Inquiry Committee, or a series of allegations against the same person are received, the Inquiry Committee may determine by majority vote to initiate proceedings after notifying the VC.
- (iv) After initiating the investigation, and not later than three days of the receipt of a written complaint, the Inquiry Committee shall:
 - a) communicate to the accused the charges and statement of allegations levelled against him/her, the formal written receipt of which will be given;
 - b) require the accused within seven days from the day the charge is communicated to him/her to submit a written defence and on his/her failure to do so without reasonable cause, the Committee shall proceed ex parte; and
 - c) enquire into the charge and may acquire and examine such oral or documentary evidence in support of the charge or in defence of the accused as the Committee may consider necessary (including by summoning potential witnesses) and each party shall be entitled to cross-examine the witnesses against him/her.
- (v) The following rules shall be applicable to the hearings conducted by the Inquiry Committee:
 - a) All hearings shall be closed hearings;
 - b) The Inquiry Committee will hear statements from the complainant(s) and respondent(s), the witnesses if any (as required) and study any other documents and/or evidence as presented by the relevant parties or collected in the process of conducting inquiry;
 - c) The Inquiry Committee shall have discretion to limit testimony and questioning of witnesses to those matters it considers relevant to the disposition of the case;
 - d) The Chair of the Inquiry Committee shall have the power to compel a witness to

attend, and the complainant(s) and/or respondent(s) may request the Chair's aid in this regard;

- e) The complainant and the respondent may at any stage of any of the procedures outlined in this policy be represented and/or accompanied by another person of her/his choice.
 - f) The Committee shall have the right to acquire any relevant piece of evidence to further their understanding of the case and the relevant parties, witnesses and administration are required to provide them with this documentation and/or evidence to facilitate the investigation;
 - g) Objective documentation of the proceedings of the Inquiry Committee shall be maintained where high confidentiality of the records and other such material shall be upheld at all times;
 - h) The respondent shall be allowed to cross question the complainant and witnesses unless the committee decides otherwise;
 - i) Where any procedural matter is not dealt with in this policy, the Inquiry Committee may, guided by the principles of fairness, establish any appropriate procedure.
- (vi) Members of the University community have an obligation to cooperate in an investigation, and refusal to cooperate may result in disciplinary action. There may be circumstances in which the complainant may wish to limit their participation in the proceedings. The complainant shall not be subject to discipline, but the University may be obligated to proceed with the investigation.
- (vii) Following the formal hearing, the members of the Inquiry Committee shall deliberate and determine the validity of the complaint based on the totality of the circumstances. The presence or absence of evidence cannot always be the sole criteria on which a judgment can be made. The credibility of statements and context must be kept in mind during the deliberations. The committee members will reach a decision unanimously or by a majority after the deliberations. Where the complaint is found to

be valid, the Committee will recommend an appropriate penalty.

- (viii) The Inquiry Committee shall complete the inquiry and recommend its final decision within a period of 30 days. It shall then send its decision to the VC giving its findings in writing by recording reasons thereof (which shall include any note of dissent) for endorsement and action. Recommendation of the Inquiry Committee shall be implemented within seven days.

11.8 CONFIDENTIALITY

- (i) Confidentiality shall be enjoined on the Focal Persons, the Inquiry Committee and all others involved in the process. This does not preclude the reasonable and discreet disclosure of information in order to elicit the facts of the case, or to implement and monitor properly the terms of any decision.
- (ii) The Focal Persons, members of the Inquiry Committee and their support staff shall be subject to administrative disciplinary action for inappropriate breaches of confidentiality on their part.
- (iii) All notes and records arising in connection with an investigation shall be maintained in a confidential file at the University

11.9 PENALTIES

- (i) In cases in which the respondent is a student, the following sanctions may be imposed:
 - a) In case of minor violations, the student may be issued a warning or reprimand. These shall be considered when adjudicating future violations.
 - b) In case of more serious violations, the following formal sanctions may be imposed: disciplinary probation, withholding of degree for a period of time, suspension or expulsion.
 - c) The following may be added to any of the penalties listed above: campus service; relocation from campus housing; exclusion of the respondent from a designated portion(s) of University buildings or grounds, or from one or more University-

designated activities, (provided such penalty is appropriate to the offence and where the penalty does not prevent the respondent from pursuing her/his studies); attending educational program; inclusion of decision in the student's record, except in the case of the first instance of a minor violation (for up to seven years).

- (ii) In cases in which the respondent is a member of the faculty, researcher or employee/staff of the University, the following sanctions may be imposed (individually or in combination), keeping in view the terms of the applicable employment policies:
 - a) oral or written reprimand;
 - b) counselling or training;
 - c) inclusion of the decision in a specified personnel file(s) of the respondent;
 - d) exclusion of the respondent from a designated portion(s) of the University buildings or grounds, or from one or more designated University activities, where such penalty is appropriate to the offence and where the penalty does not prevent the respondent from carrying out her/his professional duties;
 - e) the imposition of a fine;
 - f) recommendation for suspension of the respondent without pay;
 - g) recommendation that dismissal proceedings be commenced; or
 - h) other sanctions, as deemed appropriate, in accordance with the terms of the employment policies.

11.10 RIGHT OF APPEAL

- (i) Both the complainant and the respondent shall have a right to appeal the decision of the Inquiry Committee within a period of 30 days from the date of notification of the decision.
- (ii) In cases in which the conduct falls within the scope of the 2010 Act, the aggrieved party shall have an option to file an appeal to the Ombudsman in accordance with the provisions of the 2010 Act.
- (iii) There shall be a three-member appellate body (the "Appellate Body") appointed by the VC that shall include at least one senior member of the

University administration (at the level of Dean or equivalent) and at least one of the members of which shall be a woman. No member of the Inquiry Committee shall concurrently be a member of the Appellate Body. In case the complaint had been made against one of the members of the committee, that member shall be replaced by another (impartial member) for that particular case.

- (iv) Appeal to the Appellate Body against the decision of the Inquiry Committee can be filed on the following grounds:
 - a) the alleged conduct does or does not fall within the scope of this policy;
 - b) the Inquiry Committee reached a decision without consideration of material information;
 - c) the imposed penalty is unfair because it is disproportionate or materially different from that imposed for similar misconduct; or
 - d) the adjudication process followed by the Inquiry Committee was procedurally unfair.
- (v) In order to reach its decision, the Appellate Body may communicate with the parties, the members of the Inquiry Committee or other members of the University community as it deems fit.
- (vi) The Appellate Body may, on consideration of the appeal and any other relevant material, confirm, set aside, vary or modify the decision within 30 days in respect of which such appeal is made, and shall communicate the decision to both the parties, the VC and the Inquiry Committee.

11.11 MALA FIDE ALLEGATION

- (i) False allegations of sexual harassment made out of malice or intent to hurt the reputation of the persons against whom the complaint is filed are to be dealt with as serious offences. Making mala fide allegation of sexual harassment knowing it to be false, whether in a formal or informal context, is a serious offense under this policy.
- (ii) In the event that the Inquiry Committee determines that a false allegation made in the

complaint with mala fide intent, it may recommend appropriate action against the complainant by sending its findings to the VC (by recording reasons thereof and including any note of dissent) for endorsement and action. In cases in which the conduct falls within the scope of the 2010 Act, the Inquiry Committee may recommend the handing over of such cases to the Ombudsperson for taking further action against the complainant who made the false allegation with mala fide intent.

11.12 PROTECTION AGAINST REPRISAL

- (i) HEIs shall not allow reprisal or threats of reprisal against any member of the University community who makes use of this policy (formally or informally). The University shall also prohibits such threats or actions against anyone who participates (e.g. testifies, assists, etc.) in proceedings held under its jurisdiction.
- (ii) Retaliation or any other action against complainant of sexual harassment is to be taken seriously under the provisions of this policy. All allegations of retaliation would be investigated formally under the purview of this policy, and if substantiated, would result in appropriate disciplinary action.

11.13 SPECIAL CONSIDERATIONS REGARDING RELATIONSHIPS BETWEEN INDIVIDUALS

- (i) In contrast with sexual harassment, personal relationships among consenting adults of the University community that do not breach the social and cultural norms of the society are, in general, a private matter.
- (ii) Under the policy it is highly inappropriate for any member of the community to establish an intimate relationship with a student, subordinate or colleague on whose academic or work performance he or she will be required to make professional judgments. The policy requires that the individual may not involve themselves in such conduct as the professional responsibility for supervision or oversight would be affected in such cases. Relationships with a difference in power and authority can seriously affect the institutional working as well as the credibility of all involved. In particular, intimate

or romantic relationships between faculty members and students (whether at the undergraduate or the graduate level) shall be prohibited.

12. PROCTORIAL BOARD CONSTITUTION

The Proctorial board is re-constituted each year by the Honourable Vice Chancellor. The Proctorial board consists of 2 members from each department which is provided by the concerned Head of Department. The honourable Vice chancellor approve the board once in a year. The concerned board is headed by the Chief Proctor. This board is responsible for ensuring the discipline rules and regulations of the university.

FEE CONCESSION & OTHER

FINANCIAL ASSISTANCE

The university offers free-ship in tuition fee, based upon the recommendations of the Scholarship Award Committee, to well deserving students. Besides, in case of two or more siblings studying in the University, the one in the lowest class shall pay half of the tuition fees. However, students already availing any other form of financial assistance from any source shall be deemed ineligible for fee concession.

The university authorities are very sensitive to the conduct and good behaviour of its students, and therefore, may cancel the scholarship of a student anytime if the awardee is found guilty of any form of misconduct or misrepresentation. The university may also report their misconduct to sponsors outside UET Mardan and their application forms for scholarship shall not be signed or recommended by the department. No student, if ever committed an act of indiscipline, shall be offered any scholarship/financial assistance by UET Mardan. Moreover, the university highly discourages double financial benefits of any sort such as scholarships, financial assistance and financial aid from any source; hence, no student shall be allowed to take double financial benefits.

The university encourages students from the

Erstwhile-FATA to apply for scholarships available to them from relevant agencies. Students of settled areas are also allowed to approach their respective local, provincial and federal agencies for any sort of financial aid or scholarship.

1. FREE-SHIP MERIT BASE (TUITION FEE WAIVER)

The university offers free-ship merit base (tuition fee waiver) for students in each department as given in the table below.

The students with the free-ship merit base (tuition fee waiver) are to be decided at the beginning of each academic year based on the student's academic standings. For initial induction, the merit shall be based on the admission merit criteria which includes the entrance test, SSC and HSSC marks. For subsequent years the merit shall be decided on the basis of CGPA at the end of Spring semester and only those students will be included in the merit who have no outstanding "F" or "I" grade in previous semesters. In case of a tie between students, student with a higher CGPA/Marks in the previous year will have precedence. Merit based Free-ship for the fresh intake will be awarded on the basis of final merit list

HOSTEL

REGULATIONS

1. INTRODUCTION

UET Mardan Hostels have been established for the outstation students. Hostels are providing clean and peaceful environment for the students and are

equipped with all amenities for standard living. There are three (03) Boys' Hostels, and two (02) Girls Hostels on-campus details are as follows.

Boys Hostels		
S.No	Name of the Hostel	Maximum Capacity
1	Ahmad Shah Abdali Hostel (ASA), UET Mardan.	200
2	Malik Ahmad Khan Hostel (MAK), UET Mardan.	200
3	Hostel No. 3. UET Mardan.	50
Girls Hostels		
S.No	Name of the Hostel	Maximum Capacity
1	Ayesha Girls Hostel (AGH), UET Mardan	100

These hostels provide: -

- (a) Peaceful academic environment
- (b) Good meals prepared under hygienic conditions
- (c) Indoor recreational facilities, i.e.:
 - (i) TV Room
 - (ii) Indoor games

Due to limited capacity of accommodation, boarding is a facility and cannot be demanded as a right by the students and may not be provided to all students enrolled. Mess facility is available to all hostel residents which operate on a no-profit no-loss basis.

Each hostel is assigned a Resident Warden and Assistant Warden who are responsible for the implementation of hostel rules, maintenance of order and discipline in hostels. The Resident Warden is the first point of contact between a resident student and University administration.

All issues, queries/complaints regarding any

resident student or hostel staff shall be reported to the Resident Warden/Assistant Warden and thus students must not take any matter into their own hands. For facilitating the students, bearers and other staff have been assigned to each hostel. The Provost serves as the overall in-charge of the hostels and sets policy guidelines for the hostel administration.

Security guards will perform duty on the gates of the hostels who will permit only authorized residents into hostel premises. He can randomly visit rooms of any hostel at any time for checking of any weapon, drugs, intoxicant, rods, daggers and harmful materials etc. under the authorized supervision of Resident Warden/Assistant Warden.

Resident students are required to abide by the rules and regulations of the University hostels as laid down in this Prospectus and notified from time to time by the hostel and University administration. In

case of violation of rules or any misconduct, fines will be imposed as per hostel regulations.

Note: Students admitted/studying in the university on Non-subsidized scheme are not entitled to boarding facility.

2. HOSTEL ADMISSION

Hostel admission shall be granted only to students on regular rolls of the University.

Students desiring hostel accommodation shall apply on the prescribed hostel admission form on or before the last date announced for the purpose. Students shall submit duly completed forms, along with five passport size photographs duly attested by the head of the concerned department, to the the hostel dealing office. Forms, after necessary scrutiny, will then be forwarded to office of the Provost. No hostel admission form shall be entertained after the closing date.

A merit list of the applicants will be prepared by Provost office with the help of Wardens after necessary scrutiny of hostel admission forms. The Provost office will distribute hostel admission cards among the eligible candidates as per merit list displayed. The students shall submit their cards within 15 days after the allotment to the concerned warden and upon acceptance of which they shall become residents of that hostel and will be under disciplinary supervision of the hostel administration. If a student fails to submit his card to the concerned warden within due time, his/her hostel card shall stand void.

Hostel seats will be allocated to each department in proportion to the number of applicants for hostel accommodation from each department. Preference shall be given to those applicants who hail from far-flung areas and do well in terms of merit.

Accommodation in hostels will not be granted to local resident students, such case if found by the authorities, the admission of the student will be cancelled at the spot. He/she shall be penalized as deemed fit by the hostel and university administration.

In case of any misuse of the facility, hostel authority is authorised to refuse/cancel hostel admission of students.

For request of cancellation of the hostel admission the student can receive the refundable amounts if the request is received within fifteen (15) days of the closing date of allotment of hostel accommodation. No refund will be allowed after that.

Student, in case of failing to complete his degree within the prescribed time (8 semesters/ 4 years), will not be eligible for hostel admission. The hostel authorities under special circumstances may consider such application for admission provided the applicant maintains regular attendance in classes.

Students having admission cancelled in the past on disciplinary grounds, re-submission of application for hostel allotment will not be entertained.

3. ALLOTMENT

Hostel accommodation will be provided on merit at CGPA basis, and not at student's choice.

Seats shall be provided by the warden of the respective hostel within three days of the submission of his/her hostel card. However, the handing over may take longer depending upon the time required to complete the process of shifting by ex-room holders.

The eligible students of 1st, 2nd, 3rd and 4th years will be accommodated in the hostel rooms.

No boarder is allowed to interchange his/her seat or accommodation without permission from the concerned warden. Violation of this rule will lead to a strict disciplinary action against the violators.

4. HOSTEL DISCIPLINE

The Resident student and his/her Parent/guardian must have to sign an affidavit provided by the university on judicial stamp paper regarding the good conduct. If he/she fails to do so, shall not be allowed to enter the hostel. Additionally, the following must also be ensured with regards to the guardian:

- (a) A guardian can only be a blood relative i.e. paternal or maternal uncle, elder sibling.
- (b) At the time of admission to the Hostel, Parents/Guardian must accompany the student to the hostel. They will be required to submit a copy of CNIC along with an

affidavit signed by oath commissioner.

- (c) Every student is required to provide/furnish the above, if he fails to do so, then they shall not be allowed to enter the hostel.
- (d) After verification and collection of the signed affidavits, the resident shall be issued an identity card. The residents are advised to keep the identity cards always with them, and they will only be permitted to their hostels after showing this card to the security guard.

Student staying in hostel shall abide by all rules and regulations. In case any student fails to abide by the hostels rules and regulations or any other order issued by the hostel administration, he/she will be liable for imposition of fine and/or his/her in-living status will be cancelled. Failure to abide by the hostel rules and regulations as mentioned or as communicated from time to time will be strictly dealt with.

No non-resident student of the university is allowed to enter or stay in the hostel without prior permission of the hostel warden.

No resident of one hostel is allowed overnight stay in any other hostel of the University. Likewise, no outsider/guest or family member is allowed to stay in or visit any hostel of the University.

No resident students are allowed to entertain the outsiders/guests in their rooms. However, the resident students can entertain their guests in guest rooms within the recommended visiting hours.

Keeping of any arms, alcohol, intoxicants, drugs, cigarette, and other harmful materials are strictly prohibited. Possession of these items within the hostel premises is totally banned. Anyone found with the possession of such materials will face instant disciplinary action which may include written warning, imposition of fines, expulsion from the hostel, or both depending upon gravity of the offense.

No hostel resident is allowed to Use/keep electrical appliances/gadget such as heaters, air coolers and air conditioners etc. in his/her rooms. If any resident is caught having any such electrical appliances/gadgets, then he/she will be fined and the appliance/gadget will be confiscated from the resident student.

Every resident must avoid all types of actions which are detrimental to peaceful/congenial environment within the hostel. The resident should not indulge in acts like shouting or singing or playing of music loudly.
